Shaw University President

Dr. Irma McClaurin

"It is my goal to carry forward this legacy, and indeed to build upon Shaw's rich tradition of opening doors and creating even greater access and opportunities for those to whom none seemed available, until they happened upon Shaw."

-Dr. Irma McClaurin

Embracing our past Celebrating our future

The year 1865 held three important events in the history of African Americans: the Thirteenth Amendment, which eliminated slavery, was ratified; Union troops arrived in June in Texas to enforce the Emancipation Proclamation, giving birth to the modern Juneteenth celebrations; and Shaw University, an institution of higher learning for African Americans (Negroes), was founded on December 1st.Dr. Henry Martin Tupper (Founder and First President).

Now, fast forward to September 9, 2010, Interim President Dr. Dorothy Cowser Yancy, ends her term and Dr. Irma McClaurin is announced the 15th President of Shaw University. Dr. McClaurin comes to Shaw University from the University of Minnesota, where she served as the Associate Vice President for System Academic Administration and founding Director of the institution's first Urban Research and Outreach/Engagement Center. Prior to the University of Minnesota, McClaurin served as a Program Officer for Education and Scholarship at the Ford Foundation with responsibilities for supporting the fields of Black Studies and Women's Studies, in addition, she served as an American Association for the Advancement of Science (AAAS) Diplomacy Fellow working in the Office of Policy Development and Coordination as a gender specialist. Dr. Irma McClaurin, is Shaw University's first female President, a "born-again anthropologist," a 30-year veteran activist-scholar, an administrator, and a teacher. Her current research is entitled "Zora Neale Hurston: In the Shadow of Anthropology, she is an avid writer and has published three books of poetry and her poems have appeared in over 16 magazines.

We hail you Dr. Irma McClaurin, we welcome you with open arms from the staff of the 2011 Shaw University yearbook

From High School to the Real World

Life on a college or university eampus is a unique experienee. Student life tends to bring the focus and build many relationships along with to give you the history on dormitories, friendships, dating, aleohol, Greek life, freshman year tips, and more. With more and more students studying abroad eaeh year, colleges and universities are offering multiple programs in an increasing number of countries. The idea of studying abroad may be appealing, but it can be hard to know what to do with so many things factoring into your decision.

Try to break your deeision down into three main areas: academic, financial, and personal. Then, after looking at eaeh of these aspeets of your college eareer, you ean be better informed when making a decision. The main reason you are in college is to get your degree. How will studying abroad influenee that goal? For some students, it can greatly aid it; for others, it may present some challenges. If you are a Spanish Literature major, for example, spending a semester in Spain may be a key part of your studies. If you are a Nursing major, however, spending a semester away from any lab elasses ean really put you in a bind for prerequisites later. At the same time, there may be ways to work around any aeademie diffieulties. If you ean't study abroad during the aeademie year, eonsider looking into summer programs instead. Studying abroad, while aeademie in nature, ean also be an intensely personal experienee. Are you up for the ehallenge? Will you still succeed if you live far away from your friends and family? Do you have any medieal problems that may play a faetor?

12 July

For seven weeks fourteen of my cohorts and I studied and research prostate cancer in Kingston, Jamaica at The University of The West Indies Mona Campus.

We experienced Jamaican culture on many levels. The Jamaican cuisine and the beautiful scenery were the highlights of my experience. This is a experience that all Shaw students should want to take part in. Jamaica is a place of understanding and paradise, it is a place that will change your life once you experience it.

Outstanding research that Shaw students have been involved in through internships at the University of North Carolina, Chapel Hill, Johns Hopkins University, and in Jamaica, twelve students were strongly encouraged to enter the competition that featured undergraduate and graduate students from universities across the nation. forum and the students represented Shaw well at this major event.

In the photo: Fellow Shaw students with University of West Indies Students

These students have either participated in or conducted research using unique methodologies in the areas of social sciences, biomedical sciences, environmental sciences or diversity.

Ms. Andrea D. Mickle, President of Minority Access, Inc., said that this was "a diverse group of young researchers from diverse colleges and universities who presented their research findings in a competitive forum on a myriad of health related issues." She added, "Minority Access encourages research by scholars because we know that more medical research will inevitably lead to more cures and a narrowing of the health disparities gap between minorities and the general population; a gap that is currently wide." Shaw University was well represented at this. The IHSCR provides the perfect setting to mentor students and support them as they learn about and prepare for challenging research careers," noted Dr. Daniel L. Howard, Director of the IHSCR.

College basketball is the best especially if you think most of us can agree that college basketball is much more exciting than the NBA. The athletes play with more passion, more emotion and more purpose. The younger the athlete the more they are playing the game strictly because they love it.

They're not worried about the other benefits it may bring them in the future. They're not worried about the millions of dollars they could potentially earn if they are good enough to go pro. They play basketball because of the satisfaction they get from putting a ball through a hoop. This is how it should be. but not always how it ends up. Nowadays. the basketball players that are good enough to play one year in college and jump to the NBA usually do, and no matter how much people may not like it, the logic makes sense. You have guys that attend the best college basketball schools and dominate their competition during their freshman year and beyond. This is yet the best time ever to watch your school play and go against another school for competition.

A Cry for Justice, a Cry for Hope

When Rev. Dr. William Barber, II, president of the North Carolina NAACP called for Shaw students to board a bus bound for our nations capital to stand up and march for equality in education and jobs, they did not hesitate. On Saturday, October 2, 2011 thousands of people from all over the country were jam packed in the subways of Washington, DC, making their way to the Lincoln Memorial to show the world that we all share a common interest in the rights and liberty of our people.

It was a beautiful day and all you could see was a sea of people who had come together in song and spirit. Shaw University students represented with style and finesse. Once again on Saturday, February 12, 2011, hundreds of people gathered at historical Estey Hall on Shaw University's campus to march to Raleigh's capital to show the nation that we are still standing strong still standing together in peace for the common good of all people.

MR. HOMECOMING
MISS HOMECOMING

Miss Homecoming 2010

Akaia Lloyd

Tia Morgan, a senior, biology major hails from New Jersey and Las Vegas, Nevada. Miss Morgan is a Residential Advisor, Student Tour Guide, Shaw University El Shaddai Mime and Dance Ministries' member, a Student Development Counselor, Student Government Association and she is a proud member of Swing Phi Swing Social Fellowship Incorporated. Plans after Shaw to attend graduate and/or medical school and achieve her MD/PHD. She has an ultimate goal of becoming a Pediatric immunologist specializing in clinical trials. For the past two summers Tia has interned at the National Institutes of Health working on HIV vaccines. She gives the utmost thanks to God for the overwhelming blessings she has received. She gives special thanks to her parents Ron and Dee Morgan for supporting her in all her endeavors and Marla Williams-Linton for giving her life.

Marcus White, CaShawn Parker, Phillip Hollingworth, Xavier Brooks, Tia Morgan TeNisha Kornegay and Akaia Lloyd

Mr. Homecoming 2010

Xavier Brooks was born and raised in Charlotte, North Carolina. He played basketball from the age of 4 and continues to play today. He attended Providence Sr. High School where he was Mr. Homecoming so no doubt that would be his goal in college. Xavier graduated in the top 15 of his high school class. His first experience with Shaw University was in the Freshman Academy program in July of 2007, maintaining a 3.0 GPA during his four years at Shaw. Xavier is the Co- CEO of Prime Time Entertainment (PTE) which is a group of individuals who host parties at different venues to give college students something positive to do. Mr. Brooks will graduate from Shaw University with honor. He is a proud young man, succeeding in everything he puts his mind to.

CaShawn Parker

Marcus White

Miss Shaw University

I am Tyisha Wills the daughter of Ken Wills. My father is a single parent and stands by the principle of always being prepared for the opportunities that come your way. I am a native of Philadelphia, PA. A Psychology major and the reigning Miss Shaw University 2010-2011.

Back row CAPE queens, front row Mr. Homecoming Xavier Brooks, President Dr. Irma McClaurin, Miss Shaw University Tyisha Wills, Miss Homecoming Tia Morgan

Tyisha Wills is a Student Development Coordinator a member of the Honors College program the 2010-2011 President of the Beta Theta Chapter of Sigma Gamma Rho Sorority, Inc. and an active member in the Order of Eastern Star PHA. She volunteers at the International Study Center for the Department of Social Sciences where she acts as an Administrative Assistant for the entire department.

Her voluntarism includes: Obama Campaign , Food Drive for Homeless, Relay for Life, Martin Luther King, Jr. March, UNCF, and a Fundraiser for the Mayor William V. Bell campaign. Upon graduation, Tyisha plans to attend graduate school at North Carolina State and study Industrial Organizational Psychology.

Shaw Day Block Party

By: Tayvein Roberson

Shaw University's Block Party, was one of the kick off events for Homecoming. The biggest highlight of the day was our surprise guest speaker, no other than, Ms. Tasha Smith. That's right ladies and gentlemen straight from Tyler Perry's "Why Did I Get Married" 1 & 2. We had our very own "Angela" on the scene. Ms. Smith spoke with such passion, and enthusiasm regarding the importance of a good education, Shaw school spirit and family values and pride. The Chi-Chi's were fierce, stepping high, cheered their hearts out, and shook it down while the Band played that good old Platinum Sound, sound. This is a time that we as Shaw University Bears will never forget. No black party would be the same without a chicken eating contest. Chicken nuggets were donated by McDonold's and Maggie successfully scoffed down 20 to win a flat screen TV. The party was also marked by the acceptance of a $25,000 donation for scholarships.

Rise to Fame

By: Tayvein Roberson

Britni Elise is a new pop/r&b artist. She has the spice, talent, and fluidity on stage to make anyone watching thirst for more. Hailing from Cleveland, OH this inspiring artist has already proven that she is a force to reckon with. I had a chance to sit down with this gorgeous singer and talk to her about her beginnings and plans for the future. When she was two-years old her parents put a piano and microphone in her crib and encourage her to play. Being "in the right place at the right time" she says, allowed God to open many doors in the music industry. She finds inspiration in all kinds of music and writing and performing on stage allows her music to come alive. Britni feels inspired by life experiences and even though she doesn't fully write all of her own lyrics, her music is still full of the passion, pain, and pleasures of her life. Her debut single "Satisfied" which was co-written by Charles Farrar gained her international attention, she has collaborated with him on 20 songs. She says she had the opportunity of attending a two-month boot camp in Atlanta in order to take her music and writing to the next level. Her latest single "Hello" (prod. Herve Mason), has been rising on the airwaves and television. The remix and video featuring rap sensation Wakaflocka and released on Itunes in October can be seen on BET and VH1. She is currently working her debut album.

Alpha Kappa Alpha Sorority, Incorporated (AKA) is an international service organization that was founded on the campus of Howard University in Washington, D.C. in 1908. It is the oldest Greek-lettered organization established by African-American college-educated women. Its membership is comprised of distinguished women who boast excellent academic records, proven leadership skills, and are involved in the global community through advocacy and service. Alpha Kappa Alpha has dedicated itself to improving the quality of life for citizen's worldwide and promoting peace.

Counter-Clockwise: Bryce Carter, Tashon Carmichael, Anthony Andrew, Larry Johnson, Donald Robinson, and Trevin.

Alpha Phi Alpha is a fraternity that was founded on December 4, 1906 at Cornell University in Ithaca, New York, and the founders are collectively known as the "Seven Jewels". Alpha Phi Alpha is the first intercollegiate Greek-letter organization established by African Americans. It uses motifs and artifacts from Ancient Egypt to represent itself and its archives are preserved at the Moorland-Spingarn Research Center.The fraternity expanded when additional chapters were chartered at Howard University and Virginia Union University in 1907. The Beta Rho Chapter of Alpha Phi Alpha Fraternity, Inc. was established at Shaw University and St. Augustine's College on October 31, 1936 The brothers of the Beta Rho Chapter have always believed in promoting unity among college men, aiding in the personal progress of its membership, to discountenance evil, to destroy all prejudice, to preserve the sanctity of the home, the personification of virtue and the chastity of woman to the best of our ability. Not withstanding, we have not forgotten that we are first black men in pursuit of a college education. Anything that interferes with this, THE BROTHERHOOD CAN NOT DEAL WITH IT!

DELTA SIGMA THETA SORORITY INC

Karen Johnson, Ta'Vshea Smith, Kirsten Smith, Iris Miller, Elisa Wiah, Roselle Jarmon, Kelsey Tunstall, Kiara Holland, Krystalin Bush, Nicole Hendricks, & Desma Green

Delta Sigma Theta s a non-profit Greek-lettered sorority of college-educated women who perform public service and place emphasis on the African American community. Delta Sigma Theta Sorority was founded on January 13, 1913 by twenty-two collegiate women at Howard University. These students wanted to use their collective strength to promote academic excellence and to provide assistance to persons in need. The first public act performed by the Delta Founders involved their participation in the Women's Suffrage March in Washington D.C., March 1913. Delta Sigma Theta was incorporated in 1930. Today, Delta Sigma Theta Sorority is the largest African-American Greek-lettered sorority in the world. Membership in Delta Sigma Theta is open to any woman who meets the membership requirements, regardless of race, nationality, or religion. Women may join through undergraduate chapters at a college or university, or after acquiring a college degree through a graduate chapter.

Omega Psi Phi is a fraternity and is the first African-American national fraternal organization to be founded at a historically black college. Omega Psi Phi was founded on November 17, 1911, at Howard University in Washington, D.C. The founders were three Howard University juniors, Edgar Amos Love, Oscar James Cooper and Frank Coleman, and their faculty adviser, Dr. Ernest Everett Just. Each of the founders graduated and went on to have distinguished careers in their chosen fields; Bishop Edgar Amos Love became Bishop of the United Methodist Church; Dr. Oscar James Cooper became a prominent physician, who practiced in Philadelphia for over 50 years; Professor Frank Coleman became the Chairman of the Department of Physics at Howard University for many years; and Dr. Ernest E. Just became a world-renowned biologist.

Phi Beta Sigma is a predominantly African-American fraternity which was founded at Howard University in Washington, D.C. on January 9, 1914. By three young African-American male students. The founders A. Langston Taylor, Leonard F. Morse, and Charles I. Brown, wanted to organize a Greek letter fraternity that would exemplify the ideals of brotherhood, scholarship, and service. The fraternity is the only one of its kind to aid in the creation and holds a constitutional bond with a predominantly African-American sorority, Zeta Phi Beta (). The fraternity was incorporated on January 16, 1920 in Washington, D.C.The fraternity expanded when second and third chapters were chartered at Wiley College and Morgan State College in 1915. Today, the fraternity serves through a membership of more than 150,000 men in over 650 chapters in the United States, Europe, Asia, and the Caribbean. Although Phi Beta Sigma is considered a predominantly African American Fraternity, membership also consists of college-educated men of African, Caucasian, Hispanic, Native American and Asian descent.

Zeta Phi Beta was founded January 16, 1920, on the campus of Howard University in Washington, D.C. It was first incorporated on March 30, 1923 in Washington D.C. by sorority members Myrtle Tyler, Gladys Warrington, Joanna Houston, Josephine Johnson and O. Goldia Smith. The sorority held the first boule (convention) in 1920 with members of Phi Beta Sigma at Howard University. The Archon, the sorority's official magazine was established shortly afterwards. Later Boules were held in many locations across the United States. The sorority was incorporated by the state of Illinois in 1939. In 1923, the first chapter of any black sorority to organize a collegiate chapter in Texas, Theta chapter, was established at Wiley College.

KAPPA ALPHA PSI FRATERNITY INC.

Kappa Alpha Psi, a college Fraternity, now comprised of functioning Undergraduate and Alumni Chapters on major campuses and in cities throughout the country, is the crystallization of a dream. It is the beautiful realization of a vision shared commonly by the late Revered Founders Elder Watson Diggs, "The Dreamer"; John Milton Lee; Byron K. Armstrong; Guy Levis Grant; Ezra D. Alexander; Henry T. Asher; Marcus P. Blakemore; Paul W. Caine; Edward G. Irvin and George W. Edmonds. It was the vision of these astute men that enabled them in the school year 1910 - 11, more specifically the night of January 5, 1911, on the campus of Indiana University at Bloomington, Indiana, to sow the seed of a fraternal tree whose fruit is available to, and now enjoyed by, college men everywhere, regardless of their color, religion or national origin. It is a fact of which KAPPA ALPHA PSI is justly proud that the Constitution has never contained any clause which either excluded or suggested the exclusion of a man from membership merely because of his color, creed, or national origin. The Constitution of KAPPA ALPHA PSI is predicated upon, and dedicated to, the principles of achievement through a truly democratic Fraternity.

I plan to go on to Grad school to complete both my masters and ph.D in counseling psychology. My ultimate goal after all schooling is out the way is to start my own private practice giving counseling to families,couples,drug abusers,rape victims,and many other subjects.

SIGMA GAMMA RHO SORORITY INC.

Sigma Gamma Rho was founded on the campus of Butler University on November 12, 1922, by seven school teachers in Indianapolis, Indiana. It was incorporated within the state of Indiana in December 1922 and as a national collegiate sorority on December 30, 1929, at which time a charter was granted and the Alpha chapter was established. The sorority is a non-profit whose aim is to enhance the quality of life within the community. Public service, leadership development and the education of youth arc the hallmark of the organization's programs and activities.

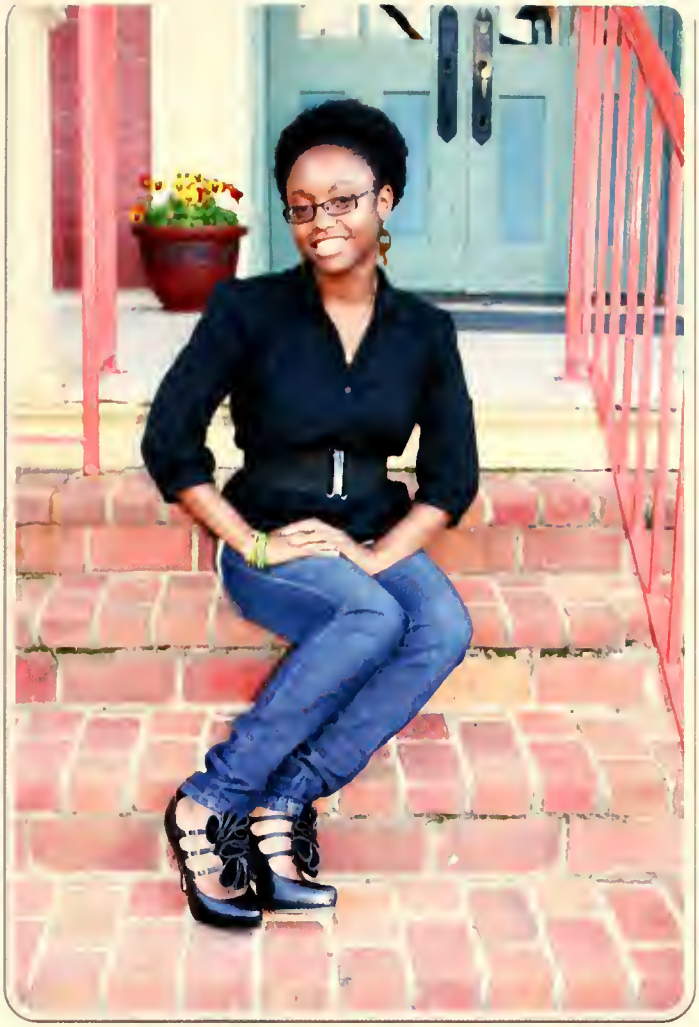
SWING
PHI
SWING
SOCIAL FELLOWSHIP INC



Swing Phi Swing is a non-profit social fellowship, as opposed to a traditional Greek lettered sorority, that performs service to communities of color. Swing Phi Swing was founded at Winston Salem State University in Winston Salem, NC, at the conclusion of the Civil Rights Movement and the burgeoning of the Black Power Movement. Twelve African-American women, with the help of their brother organization Groove Phi Groove, founded Swing Phi Swing on Friday, April 4, 1969 which was the one year anniversary of the assassination of Dr. Martin Luther King, Jr. Today, Swing has over 25 active graduate and undergraduate chapters throughout the United States.During the 1970s, Swing Phi Swing saw a tremendous growth in membership as Black college women across the South, the Midwest, and the East Coast heard the news of an afro-centric Sisterhood. Chapters were started at prominent Historically Black Colleges and Universities like Hampton University (Hampton Institute), Morgan State University, Tuskegee University (Tuskegee Institute), Wilberforce University, Shaw University, and North Carolina Agricultural and Technical State University.

SOCIAL FELLOWSHIP INC.

Melzee Odomes

The Neos with the Old Heads (History Meets Evolution)

Groove Phi Groove Social Fellowship, Inc. was founded at Morgan State College (now Morgan State University) on October 12, 1962 by fourteen daring, young, black American men who wanted to change the way we think about brotherhood. Our founders established the Fellowship with the purposes of promoting academic awareness, ethical standards, and unity among men in undergraduate and graduate college programs; creating intelligent and effective leadership; and studying and helping to alleviate the social and economic problems of society to generally improve the world. Little did our founders know in 1962 that the fruits of their efforts at Morgan State College would evolve into a thriving movement that continues to play an important role in developing and nurturing what we know as Black America.

THE LOVE FOR THE GAME

2010 CIAA FOOTBALL CHAMPIONS

Rising to the Top

A strong start in conference play led the Shaw Bears to the top of the CIAA Division

The opening of the CIAA championship game was charged with electricity both on and off the field and featured all of the pageantry that has made the quest for the championship such a gala affair. The infamous Shaw marching bands was in rare form with its polished instruments. The Chi-Chis were toned and rehearsed, celebrities were abound, dignitaries stood on the side line and enthusiastic alumni held down the stands with the many the proud the S of Shaw U, the students.

Head Coach Darrell Asberry, proudfully dubbed the "***winningest coach in America"*** speaks highly of his***"kids"***, "This is a huge deal for them, we came so close last year, and those kids dug deep and found what was needed to come back and focus. Today, when things went wrong, they didn't panic, they just kept fighting."

In the Photo: Deandre Okonji giving words of wisdom before the big play.

The only score the Bears gave up was on a blocked field goal that was returned 76 yards for a Trojan touchdown, this was the only time that Virginia State did manage to get into the red zone. Shaw's Gerald Kennedy picked off a pass in the end zone.

"I knew it was just a matter of time before the defense started jelling. I watched (first year defensive coordinator) Coach (Robert) Massey and his staff grow as one, and then watched the defense grow as one," Asberry said. On the offensive side of the ball for Shaw, the Bears amassed 412 yards, but only two touchdowns. They had the ball for over 40 minutes of the game, putting together six drives of ten plays or more, and three drives that ate more than five minutes off the clock apiece. In the third quarter alone, the Bears had the ball for 13:22 of the 15-minute period. Even with the long drives, the Bears made it into the red zone only four times – twice ending in touchdowns, once in the blocked field goal, and once when the team went for it on fourth down and failed to convert. The two teams finished the first quarter without either finding the end zone. In the second half, Raymond Williams and Kevin Atkins combined to drive the Bears downfield. Williams ran for a total of 33 yards, including a one-yard "jump over the pile" touchdown run (left), and Atkins threw for another 37 yards as the Bears took the 7-0 lead. On the ensuing kickoff, the Bears kicked out of bounds, giving the Trojans outstanding field position on the penalty, but on the third play of the drive, Jarred Battle's pass was picked off by Kennedy. Shaw put together another strong drive, but time ran out in the first half before they could score, leaving the halftime score 7-0. In the third, after two successive three-and-out drives, Shaw drove to the Trojan three-yard line, but failed to get into the end zone. Caleb Reid's field goal attempt was blocked and recovered by Alfred Ngauja who returned it 76 yards and tied the score at 7-7.

Multi-millionaire attorney Willie E. Gary, a Shaw University graduate who donated 10 million dollars to his alma matter in the 1980s, gave the team a motivational speech after the game, saying "No one can take this from us! We are the CIAA champions. Gary summed up his opinion of the contest, telling the New Journal and Guide after the game, "When you put God first, you never come in second. We pray before and after the game. That's why we are number one today." Shaw, seeded fifth in the Super One Region, will play in the NCAA Division II Football Tournament on Saturday, November 20 by traveling to West Virginia to face fourth seeded Shepard. The winner of this contest will play number one seed Kutztown in the tournament on November 27, 2010. Coach Faison lead his first team to the 'ship as head coach, but it is not his first appearance. As an assistant, he helped guide the Rams to championships in 1999 and 2000. "Asberry has a great team, and we know what to expect." said the ninth-year head coach. "They got some men over there, and we will have our hands full. I can't 'dodge' him anymore, but at least this one is for all the marbles."

Striking Out

By: Tayvein Roberson

Two five-hit performances led to two different outcomes as Shaw split a doubleheader against Elizabeth City State, winning the first game 5-1, then falling in the nightcap 9-5. In each game, Shaw scored five runs on five hits, and took advantage of two Viking errors. The contests were critical since both teams are on the bubble for making the CIAA Baseball Tournament. Coming into the game, each team had three wins in conference play, but ECSU had suffered only five losses to Shaw's seven. By splitting the games, ECSU still holds a one-game advantage over Shaw for the fourth place spot in the Western Division and a trip to the CIAA Tournament.

In the first game, Shaw scored five runs in the bottom of the first, but managed only two hits, with batters reaching base on an error, a walk, and twice by being hit by a pitch. Marquise Phillips paced the inning with a single to left that drove in two runs.

In the second game, it was the Vikings who jumped the early lead, scoring three runs in the first – with two coming in on Tyler's single to center. They added another run in the third when Green scored on Kyle Meads' double to left. In the bottom of the third, the Bears roared back to tie the game, capped by Franklyn Johnson's two-run homer to put the score at 4-4. The Vikings took the lead in the sixth on Green's two-run home run, then gave one run back in the bottom of the sixth. ECSU put the game out of reach in the seventh, scoring three runs on a Khati Butler triple. Donald Robertson managed a double for the Bears in the bottom of the seventh, but no one could advance him any farther, clinching the ECSU 9-5 victory. Shaw is now 6-17 on the season and 4-8 in the CIAA while ECSU is 10-10 and 4-6 in the CIAA. The Bears host Virginia State tomorrow in a doubleheader beginning at 1:00 p.m. On Friday, they host Saint Paul's, also a 1:00 p.m. start. Shaw home games are played at Lion's Field at 516 Dennis Avenue in Raleigh. For Shaw, the wins lengthen their current winning streak to four games, and bring them to a 5-12 mark on the season. Shaw took a 2-0 lead in the first inning of the first game, sparked by Anthony Ray's double, which brought home Carlos Aponte. Ray added a home run in the fifth that gave Shaw a 3-2 lead. Lincoln scored three in the top of the sixth, giving them a 5-4 advantage. Starting pitcher Roy Maddox was pulled in favor of Robertson, who struck out two to close the inning, then sent the Lions down in order in the seventh.

In the bottom of the seventh, the Bears loaded the bases. Ray scored on a passed ball to tie the game, then Franklyn Johnson slammed a single into right center for the walk-off win, 6-5. Ray was two for three on the game with a double, a home run, three runs and two RBI. He also reached base after being hit by a pitch. In the second game, the Bears jumped on top early, Robertson – as the starter – shut the Lions down allowing only two runs on three hits with six strikeouts. Shaw scored four in the first, three in the second, and four in the third on their way to the 13-2 victory. Mel Robinson's two-run homer in the sixth was the only offense the Lions could muster.

Go Shaw Bears!!

Brittany Ransom does her thing doing a smooth alley hoop down the court. averaged over 18 points in Shaw's two games this past week. In a one-point loss to Nova Southeastern, Ransom kept the Lady Bears in the game with critical threes in the second half. Her shooting also helped the Lady Bears overcome a slow start against Palm Beach Atlantic.

On Top of The Game

Shaw's women's basketball team opened its season with a convincing 71-59 win over West Virginia State in a game played as part of the CIAA-WVIAC (West Virginia Intercollegiate Athletic Conference) Challenge. The Lady Bears built a double-digit lead less than six minutes into the game, and while the Yellow Jackets made a run at Shaw in the second period, they never cut the deficit to less than eight.

Both teams showed signs of early season sloppiness with a combined 46 turnovers (24 for WVSU and 22 for Shaw) and 46 personal fouls (25 for WVSU and 21 for Shaw). The Lady Bears built the early lead on the shooting of Kyria Buford, who had 11 points in the first seven minutes of play. She finished the game with 24 points and came one rebound shy of a double-double with nine. The Lady Bears return to action tomorrow at 1:00 p.m. when they take on Glenville State during the second day of the CIAA-WVIAC Challenge. The Challenge brings together four teams from the CIAA and four from the WVIAC. CIAA teams participating include host Elizabeth City State, Saint Augustine's, and Virginia Union. In addition to WVSU and Glenville, Davis and Elkins and West Liberty are representing the WVIAC. Shaw's Lady Bears used a strangling first half defense and a 15-0 run to easily defeat visiting Queen's College 62-42 in a game played at C.C. Spaulding Gymnasium. The Lady Bears held the Royals to only five points from the floor in the first half, and a paltry 7.4 shooting percentage (two for 27). Queen's did manage to hit 11 of 15 from the free throw line, but still only finished the half with 16 points.

"That's who we are trying to be – a defensive team," said Shaw Head Coach Jacques Curtis. "We let them score more than we wanted in the second, but we felt good about the first half. If we can get our stops, the offense will follow." Early in the game, both teams struggled to find their shooting touch or a handle on the ball. With 8:56 left in the first, the Lady Bears held a slim 16-12 lead. For the next four minutes, Shaw held a scoring clinic, led by Brittany Ransom with seven points and Niesha Searles with six as the Lady Bears mounted off a 15-0 scoring run that gave them a 31-12 lead. By halftime, they had extended the lead to 41-16.

"We're happy with where we are now," Curtis said, "but it's just going to get tougher and tougher. These next two games are against national programs and we'll have a better sense of exactly where we are after playing them."

Shaw (12-9, 5-5 CIAA) held a seven-point lead as late as 12:26 left in the game, but Fayetteville State (6-13, 4-6 CIAA) ran off a 16-4 scoring run late in the second to build a lead. The Lady Bears would fight back, but came up short when Allyssa Lane's last-second shot banged off the rim. In the first, the Lady Bears built an early lead. With 12:07 left in the half, Lane hit a three to give Shaw a seven-point, 13-6, lead. LaQuasha Jordan scored seven unanswered points in less than a minute for the Lady Broncos - two threes, and a foul shot - to tie the score at the 11:12.

Wanna Be Like Mike?

It may have been Shaw's first game of the season, but the crowd and the players reacted with post-season intensity as the Bears held off numerous charges from visiting Mars Hill. The Bears opened their season with a 77-73 win in the game played at C. C. Spaulding Gymnasium. Shaw broke out on top early in the game, taking an 11-4 lead with less than five minutes gone in the half. The Lions then made their first run of the night, outscoring the Bears 16-2 over the next five minutes and taking their own seven-point lead with 10:45 left in the half.

For the rest of the half, Shaw - in the form of Raheem Smith and Jaylon Battle - took control of the tempo and the ball. Smith scored 11 points in less than 10 minutes, while Battle tossed in six of his own, giving the Bears a 35-29 lead going into the locker room at the half. In the second, Shaw built their lead to as many as 11, and with 8:08 left, Jamaar Hosier hit one of a plethora of second half foul shots to give the Bears a ten-point lead.

The Lions then reeled off six unanswered free throws to cut the lead to four, and eventually built a two-point lead with 1:33 left in the game. Hosier hit a layup to tie the game at 73, then the Bears went to the free throw line five more times, hitting four, and kept the Lions off the scoreboard, to set the final score at 77-73. In the second half alone, the teams attempted a combined 44 free throws with Shaw hitting 16 of 24 and Mars Hill converting 17 of 20. Smith led the way for the Bears with a total of 26 points, while Tony Smith added another 12. Battle finished with ten. David Jones led the Bears with seven rebounds and Tony Smith paced the team with six assists. For Mars Hill, Donterious Hughes led the way with 25 points, with Dion Malachi adding another 18 and Sammy Emile tossing in 17. Malachi led both squads with 11 rebounds and he and Tarron Stewart led the Lions with four assists apiece. With the win, Shaw moves to 1-0 on the season, and now takes a break for two weeks when they will travel to Wingate for the OrthoCarolina Classic to take on Francis Marion. The Bears do not return home until 2011, when they take on Saint Paul's at 8:00 p.m. on January 6 at C. C. Spaulding Gymnasium.

Shaw fought back, scoring four straight to tie the game at 66. The two teams then played evenly – with neither able to open up more than a two-point advantage leading into the final seconds and Battle's last-second bucket. Scoring was balanced at both ends of the court with four players from each team reaching double figures. For the Bears, Tony and Raheem Smith each had 21 points, while Battle had 16 and Dwight Bell had ten. Battle led both teams with eight rebounds.

Pushing for a goal

The Shaw softball team saw its CIAA Championship hopes brought to an end with a heartbreaking 8-7 loss to Johnson C. Smith Friday afternoon. The Lady Bears end their tournament run 1-2, for a final 16-27 record on the season.

Ahead 7-3 going into the bottom of the seventh, the Lady Bears allowed the Lady Golden Bulls to score three runs before the first out was recorded, to make the score 7-6. With two outs and the bases loaded, JCSU's Samantha Smith doubled, scoring two runs and ending the game and the Lady Bears' season. The Lady Bears opened tournament play with an 8-0 loss to Eastern Division winner Bowie State, which dropped them to the losers bracket. They rebounded with a strong 14-5 win over Saint Paul's that kept their tournament run alive.

For the tournament, freshman Erica Lafrades (above), who was named to the All-Tournament team, hit a blistering .700 with seven hits in ten at bats, and scoring five runs. She also stole five bases on five attempts. Both Chrystina Smith and Jessica Davis were four for nine in the three games for a .444 batting average. Smith also knocked in three runs. Senior Aerial Sanders rounded out her Shaw career leading the team in RBI in the tournament with four.

Detra Morrow pitched all three games for the Lady Bears, going 1-2 with a 7.82 ERA. The freshman struck out 11 while allowing only five walks – three in the loss to JCSU. Shaw finished the season 16-27 overall and 8-8 in the CIAA. They finished fourth in the CIAA's Western Division. Monica Grimmage, Shanequah Goodson, and Curtisha Jones were today named to the All-CIAA Softball Second Team. Detra Morrow was named to the All-Rookie Team. Monica Grimmage was named CIAA Softball Player of the Week three straight weeks this season, and once named Defensive Player of the Week. The first baseman from Georgetown, SC, finished the season with a .386 batting average and a .625 slugging percentage. She led the team with 20 RBI and also swiped 13 bases. Shanequah Goodson served as the Lady Bears catcher and received Defensive Player of the Week honors once this season. The junior from Lithonia, GA, finished the regular season hitting .217 with a .293 on-base percentage. She was second on the team with a .943 fielding percentage.

Curtisha Jones, a sophomore from Raleigh, NC, had a .273 while primarily playing second base for the Lady Bears. Leading the team in walks with 12, she had an on-base percentage of .415 and stole 13 bases while only being caught twice. Detra Morrow was named Pitcher of the Week last week, and was named to the All-Rookie Team. She had a 7.27 ERA on the season, with a 9-12 record. The Lady Bears finished the season 15-25 overall, and 8-7 in the CIAA. The 8-7 mark was good for a tie for second in the CIAA's Western Division, but the tiebreakers have seeded them at fourth.

Chasing After the Goal

Shaw took third place at today's CIAA Cross Country Championship held at WakeMed Soccer Park. Darius Berry finished in fourth place and earned All-CIAA honors. The Bears finished with 104 points, which put them behind Winston-Salem State (with 26 points) and Bowie State (50). Winston-Salem State's runners took the top three positions. Berry was the first non-Ram to cross the finish line. He completed the eight-kilometer course with a time of 23.31.1. Teammate Michael Caldwell was the next highest Shaw finisher, coming in 16th with a time of 28.16.4. Willie Stanley finished 19th with a time of 28.39.5. The Shaw women finished in sixth place with 168 points. Winston-Salem State won the event with 34 points, with Virginia State right behind with 35. The top finisher for the Lady Bears was Tairra Gaines, who finished the five-kilometer course in a time of 22.05.4 – good for 18th place. Kiara Arrington finished 24th with a time of 22.39.9, and Moneaque Baker finished in 35th with a time of 23.55.0.

The top finisher for the Lady Bears was Tairra Gaines, who finished the five-kilometer course in a time of 22.05.4 – good for 18th place. Kiara Arrington finished 24th with a time of 22.39.9, and Moneaque Baker finished in 35th with a time of 23.55.0. The Bears finished third among the CIAA teams competing at the event - behind only Winston-Salem State and defending CIAA champions Bowie State. They finished ahead of perennial strong teams such as Saint Augustine's and Lincoln (PA). The top finisher for the men was Darius Berry (above), who finished with a time of 27:01.5 over the 8,000-meter course. That was strong enough for 12th place overall. Second for the Bears was Michael Caldwell with a time of 30:01.2. For both the men's and women's cross country teams, 2010 was a season of promise and high expectation, but injuries and absences hampered efforts and kept the seasons from being all that Bear fans had hoped – even with a top three CIAA finish. "Yes, we did have high expectations going in to this season.

For the men, Darius Berry (right) was the top finisher, placing 28th overall and 11th among the Division II runners with a time of 29:13.7. Willie Stanley finished 56th overall and 24th in D-II with a time of 31:10.6, while Craig Perkins finished 81st overall and 39th in D-II with a time of 33:31.0

Janae Williams tearing up the court

The Lady Bears earned their NCAA berth with their second straight CIAA crown, and make their second straight appearance in the NCAA Tournament. They finished their season 22-4 and enter the five-team Atlantic Region #2 pod. They take on Indiana (PA), who finished their season 16-8, on May 6, 2011.

Nothing but Net

It's not as if people didn't expect great things from both the men's and women's tennis teams going into the 2010 season. After all, the men's team were the five-time reigning champions, and the women had taken the title in 2009. Both teams were strong and expected nothing less than a repeat in 2010. Four of the Bears went undefeated in singles play in the CIAA. Five Lady Bears had unblemished singles records in CIAA play.

Four Lady Bears never dropped the match in CIAA singles or doubles. Between the two teams, 11 of 12 made the All-CIAA team, with Fabio Falcato and Lolia Kienka taking home the men's and women's Player of the Year awards, respectively. Both teams went undefeated in CIAA play, dropping their only matches to either Division I or regionally ranked Division II schools. In the CIAA tournament, the men swept through the competition, not losing a match, while the women dropped matches in the lower singles or doubles. Falcato and Kienka again won individual honors, taking home MVP awards for each tournament. Both teams advanced to the NCAA Tournament, but were dealt hard losses in the first round. The Lady Bears met a strong Indiana (PA) team that swept them 5-0. The men lost a heartbreaker 5-4 to Bloomsburg on a match that went to a tiebreaker. Both teams excell in the classroom as well as the court. The men brought home the CIAA Academic Award which recognizes the tennis team with the highest GPA.

Two Bears and one Lady Bear made the prestigious All-CIAA Commission's Team. This team consists of ten male and ten female athletes who excel not only in their athletic competition, but in the classroom as well. The team received international recognition as well, with the Nigerian sporting press following the Kienka siblings quite closely. This summer, Lolia was the cover girl on a Nigerian magazine aimed at young men and women in the country. While the teams lost seven players to graduation in 2010, Head Coach Sunday Enitan has brought in strong new talent and expects 2011 to be every bit - if not more - successful than 2010.

In the photo: The lovely Lady Bears show that they are unstoppable both on and off the courts. They are committed to their academics, their families and to each other.

Staying on Top

The Shaw men's and women's tennis teams are preparing for NCAA Tournament play that begins on May 6, 2011. The men will travel to Buckhannon, WV, to take on Bloomsburg. This will be the first match ever between Shaw and Bloomsburg, the winner will take on the winner of the match between host West Virginia Wesleyan and Charleston (WV). The Shaw men's team earned their NCAA berth with their sixth straight CIAA title, and makes their fifth straight appearance in the NCAA field. They finished the season 21-6. Shaw won the previous five titles under the individual flight format and wins this year's crown under the new team format.

The Shaw men show strength on and off the field. They are true competitors and share a strong bond. They are dedicated to their school, to their families and to each other

In the photo: (Left) Antoine Jacobs doing his thing on the court. (Above) Kalada Kienka jumping towards the win.

Shaw University captured their sixth consecutive CIAA Men's Tennis Championship on Saturday afternoon (April 17th) with a 5-0 victory against Johnson C. Smith University at the VSU Tennis Complex. The Bears improve their record to 20-6 overall and finished 12-0 in the conference. JCSU concludes their year at 20-6 overall and 9-3 in the CIAA.

Shaw eased past the Golden Bulls in doubles action for a 3-0 advantage heading into singles play. CIAA Player of the Year Fabio Falcato and All-CIAA selection Medhi Ben-Cheikh (SU) defeated the fellow all conference duo of Jason Stuckey and Aaron Hutcherson (JCSU) 8-3 in No. 1 doubles. All-CIAA duo Kalada Kienka and Milos Stankovic (SU) trumped Robert Butts and McKenzie Bean (JCSU) 8-1 in the No. 2 doubles match. Martin Faison and Antoine Jacobs (SU) made a doubles sweep with an 8-4 victory over Jerald Stuckey and Barren Smith (JCSU) in the third and final doubles competition.

Only needing five match points to clutch the title, Stankovic and Kienka closed the deal for Shaw with a win in No. 2 and No. 3 singles, respectively. The remaining singles competitions went unfinished. The Bears have achieved their sixth straight CIAA Men's Tennis Championship with the victory.

Platinum Sound

In the photo: Platinum Sound's four Drum Majors

How would you like to work so hard on something constantly, with apparently little or no recognition? These are the sentiments shared by members of the Platinum Sound Marching Band here at Shaw University. Being in the band is a full time job. Not only do they practice daily from 4:00 to 6:30, but they also have sectionals at least two times a week. Moreover, if a member is on scholarship they can have between one to three classes added on to their schedules.

Platinum Sound has been an organization here on campus since 2002. The director of the band is Mr. Charles Brown since the band's inception at Shaw. The band is comprised of the Musicians, The Diamond Sensation Dance Team, Essence of Pearls Flag Line , and various other volunteers that contribute to the great performances.

This season's drum majors LaToya Becton, Torrey Hunt, Charles Robinson, and Naomi Drake (NC State student) are enthusiastic for the 2010 football season. To start off the year the band traveled to the Queen City Battle of the Bands in Charlotte NC. While there, Shaw took the field with other prestigious historically black colleges and universities such as North Carolina A&T, North Carolina Central University, Florida A&M University, South Carolina State, and Johnson C. Smith University.

Freshman Errington Stevens said he was "scared, nervous and excited all at the same time," when asked how he felt as he took the field in a Shaw University Marching Band uniform for the first time.

To begin the show, the band played "I go hard in the paint" by Waka Flocka for the drum major introduction. As soon as the band played the first note the stands went crazy with excitement. Of course Platinum Sound added a little creativity to the song.

"We go hard in the Shaw U paint." Other songs played by Platinum Sound included "All I Do is Win", "I want to be Your Man", "Beautiful Monster", "Show Out", "No Hands", and "Running Away". The whole show Shaw's band had the crowd on their feet, despite having to play to the other side of the field. At the end of the day it was a great battle. Though no winner was actually crowned all bands came out and represented their schools with honor.

This year the band will be doing a lot more traveling compared to recent years. Of course you can catch your Platinum Sound at your Bears home football games. Aside with that the band is preparing for two battles of the bands. The first coming up on October 17th in Norfolk,Virgina and the other on October 24th in Greensboro, North Carolina . These battles are small steps that are being taken to ensure Shaw a place in this school year's Honda Battle of The Bands in Atlanta, Georgia. This is the battle of them all, each marching season 45 historically black colleges and universities compete to participate in this battle. Shaw has not been represented in this competition since 2008. Go Shaw University Platinum Sound Marching Band!

2010-2011 President of S.G.A.

Andrew Cann

The 2010-2011 SGA President Mr. Andrew Cann is a compassionate, enthused, dreamer who believes whole heartily in his student capabilities as well as the Shaw Universities name. He has true Bear pride and is not afraid to show it.
-Blair Carter Internal Vice President

Andrew is a great president, very proactive and dedicated to his position, I am glad to have had the opportunity to work him
- Skylar Davis Public Relations of SGA

Andrew has been someone who is determined to meet the student's needs.
-Jerry Clyde Mr. Junior

Mr. Cann has tried to make sure that all students needs have been addressed as well as social and environmental changes around the campus.
-Ms. Wanda Goodman

SHAW U LOVE

Love at Shaw

Shaw University's students have shown great love for one another. Love that is demonstrated in the strong connections that are developed immediately at orientation or over the course of four years. Love is when you can't stand to be without that person, you must do everything together. It can be open and honest and difficult and coldhearted. Whether you're "Falling in Love with Jesus", with the man or woman in the mirror, love must be found. There is nothing like the love of a good woman or a good man, you might have real love for your girl or your guy, your best friend or roommate or love for the parent who signs for that loan over and over again; you can't beat love with a stick. Love makes the world go round. These photographs depict love on Shaw U's campus, from the past to the present. Shaw U love can be felt with a simple hug, a hand shake, a smile or a nod, unspoken or an outright vow of ones endearing sworn, once you experience it there is no turning back.

"Love is like a dream that's too good to be true." - Langston Hughes

"Looking on the reflections of tomorrow"

The Freshman Class Cabinet has been a very productive and electrifying class. They came in eager to serve, learn, and motivate their class as a whole. They had dreams of great programs and put those programs into play throughout our campus. Even when faced with obstacles they persevered through The cabinet soon learned that being involved in campus life can help ease the feeling of being homesick as well as help you with finding resources and connections that can help you through your matriculation. Congratulations class of 2014 for making through the beginning of something great. Freshman class Vice President Mathew Coleman leaves a little words of encouragement for the class to follow. Coleman states "one should not come to college with the notion that he or she already know everything and getting involved in your school is the best thing you can do".

Nothing in life is to be feared. It is only to be understood.
-Marie Curie

Be nice to people on your way up because you'll need them on your way down.
-Wilson Mizner

Life is something that everyone should try at least once.
Henry J. Tillman

Never take life too seriously. Nobody gets out alive anyway.
-Unknown

The best of times is now.

Our Deepest Fear

Our deepest fear is not that we are inadequate.
Our deepest fear
is that we are powerful beyond measure.
It is our light, not our darkness,
that most frightens us.
We ask ourselves, who am I to be brilliant, gorgeous,
talented and fabulous?
Actually who are we not to be?
You are a child of God.
Your playing small doesn't serve the world.
There is nothing enlightened about shrinking
so that other people
won't feel insecure around you.
We are all meant to shine as children do.
We were born to make manifest
the glory of God that is within us.
It's not just in some of us, it's in everyone.
And as we let our own light shine,
we unconsciously give other people
permission to do the same.
As we are liberated from our own fear,
our presence automatically liberates others.

Miss Senior Mr. Senior

The 2010-2011 Mr. and Miss Senior our both resident of Richmond Virginia . Where Virginia is for lovers and they too enclose a lot of love in which they bring and share with their fellow Shaw bears. Jessica and Diontae are two compassionate, intelligent, hard working individuals who have depicted how a Shaw senior should be and perform. They represented their class with sophistication and true Shaw pride!

Diontae Dugger Born and raised in Richmond VA is majoring in Psychology and plans to become very successful on his journey into the future. Jessica Clark born and raised in Youngstown, OH. Future goals include hopes to become a successful entrepreneur and future CEO of Ambassador the United Network for Oregon Sharing.

Anticipation for Graduation

Tears rolling down everyone's faces as the end of graduation has just taken place. Walking away from the place that may have molded you from a young man into a MAN and from a young lady into a WOMAN. Now knowing what the real meaning of what a true friend is. Those who stuck with you though all trials and tribulations. Knowing that is something were to ever happen to you they would be there with open arms waiting. Leaving behind those who taught you lessons and values for the future that has now arrived. Walking into the world that your parents and professors have prepared you for. Becoming your own dependent at this very moment. You will be starting a new life, as hard lessons become fresh and new. You now have to do what's best for you. But don't look at it as though you are leaving your "youth" behind. You are walking to become a legacy in time

SHAW ALMA MATER

Hail, Dear Old Shaw U,
Thy sons revere thy name,
Long shall thy works be proud,
Undimmed thy fame,

Time shall thy praises sing;
Glory repay thy tears,
And loud thy praises ring,
Thru' all the years.

Noble thy hallways
Noble thy grassy plains,
Nobler the hearts of men
Where thou dost reign.

All we who love thy name,
Stout hearts that shall not fail,
All rise and loud proclaim,
Alma Mater, Hail!

There is something special about a Shaw graduate

With this tough economy it may be hard for some students but not a Shaw student. The commencement address left them with some funny but encouraging words. Bill Cosby stated "I ask you to watch the news, read the paper and every time you see somebody doing something wrong go down there and apply for their job," There is something about a Shaw bear that speaks great quality. Congrats Shaw Graduates!

Then came Football

Then came Women's Basketball

and

Finally Men's Basketball

Football

Shaw U Woman Tennis

WE GOT THAT SHAW U PRIDE

They said we didn't have it, you know, ***"school spirit"*** and all, but there is never a time when the call goes out, "sh-sh-sh-ShawU", that response doesn't come back, "u-u-u-You know". Yeah, we got that Shaw U Pride and with winning teams and classmates on the tennis team, football and men's and women's basketball teams, we will keep on striving, keep on coming, keep on praying and keep on winning. We love our CIAA champions, wear your title proud, wear your title strong!

DEPT.

Thank You's

First off to God, Yahweh, my provider, my Alpha & Omega. My strength through every storm. Lord I thank you for the breathe of Life and to praise your name in every moment of worship. I thank you for my family, my many gifts and talents, for music and for what you have done and what your about to do. I Love U Lord with all my heart. AMEN.....

Matthew- The best photo editor anyone can ever have. Smart, talented, and an intelligent young individual. I'm proud to pass my thrown down to you, and I know that you will make an excellent editor in chief next year.

Athena- Princess Athena, you keep me laughing and the energy rolling strong. You are very passionate about what you do.

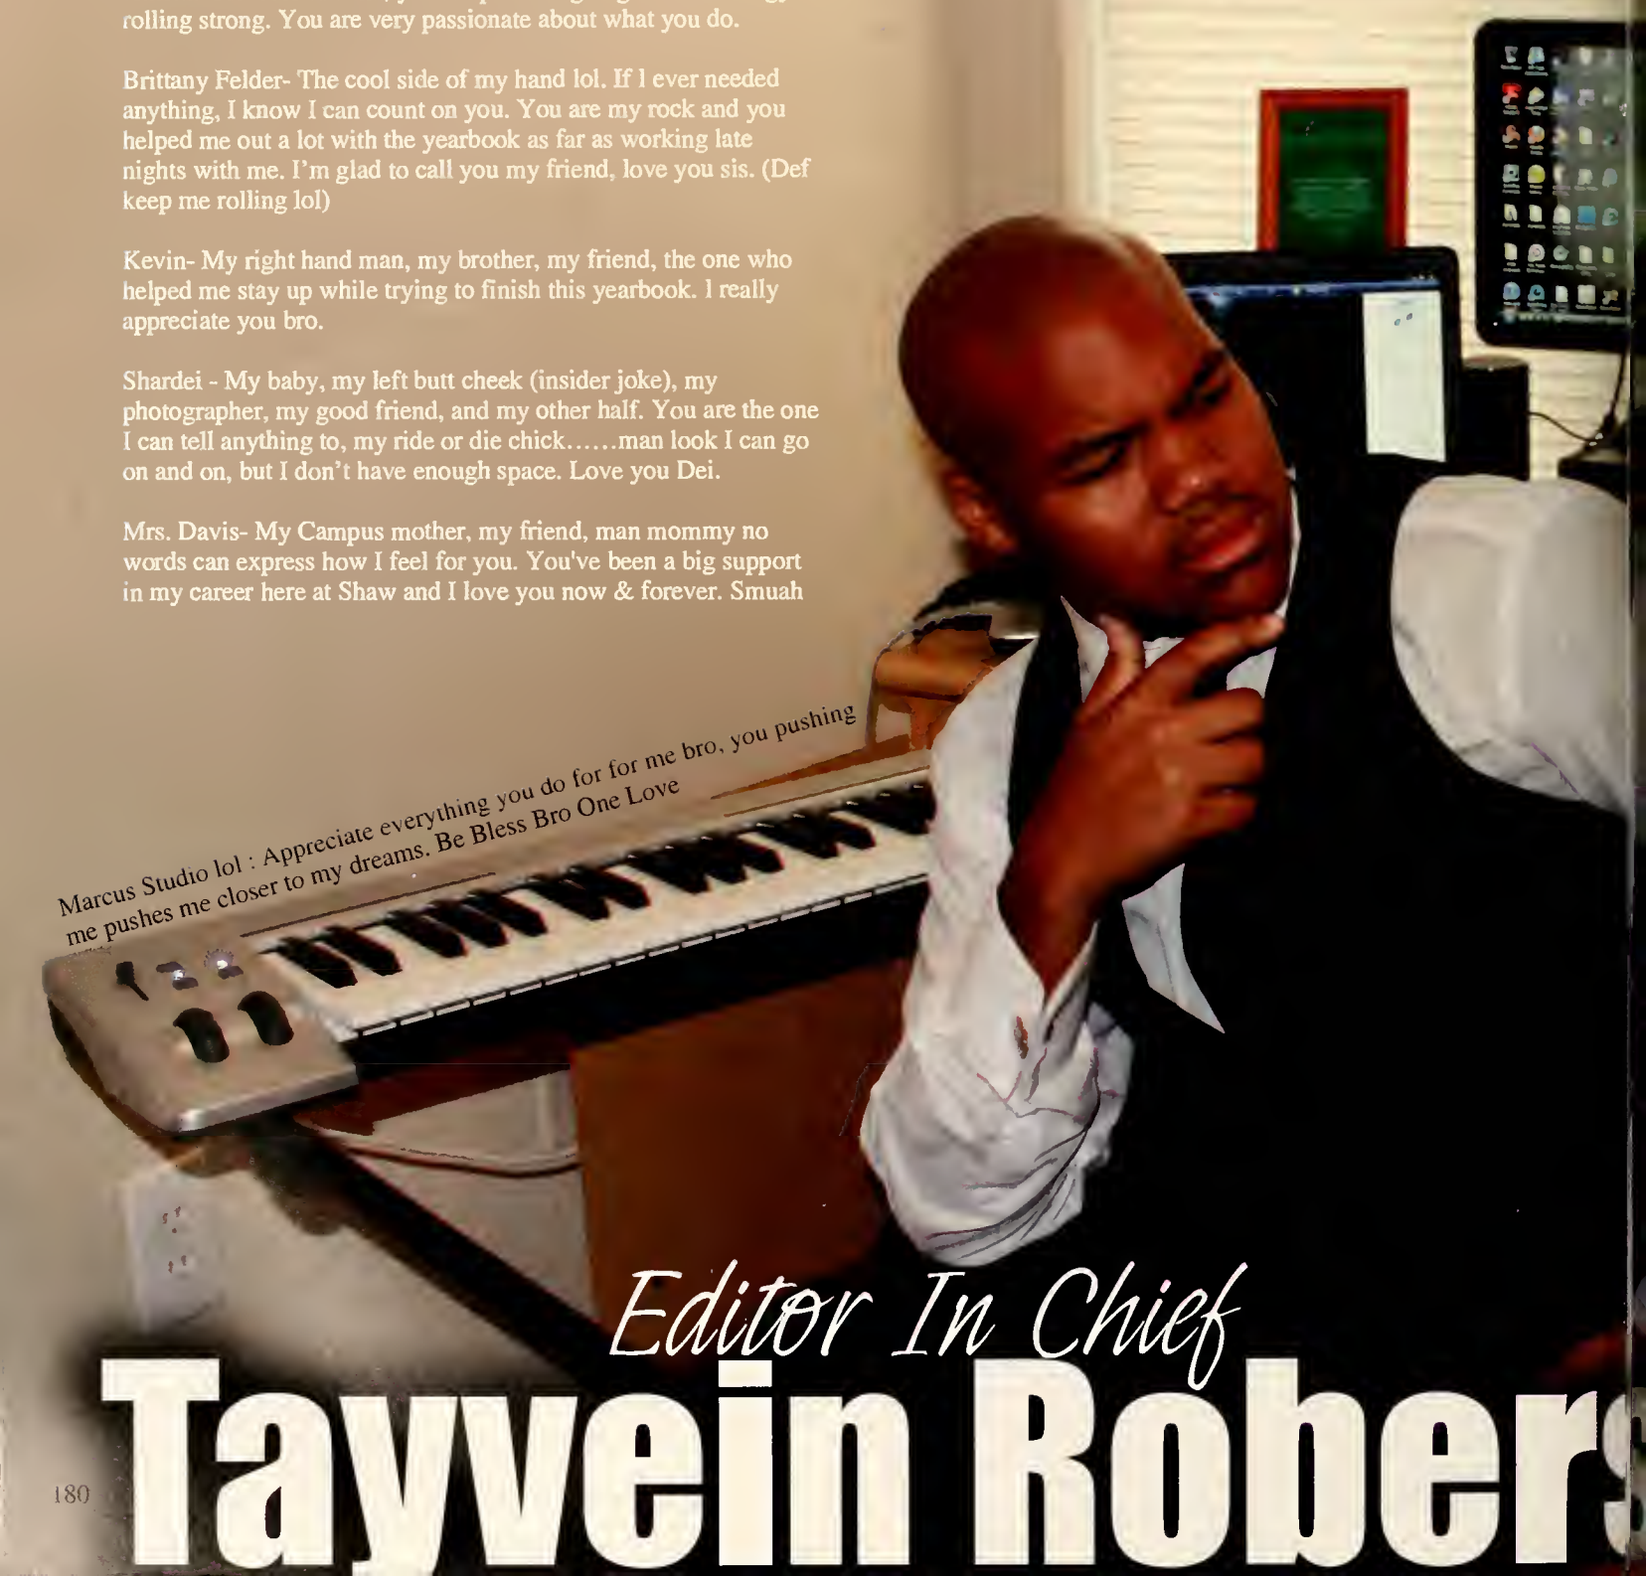
Brittany Felder- The cool side of my hand lol. If I ever needed anything, I know I can count on you. You are my rock and you helped me out a lot with the yearbook as far as working late nights with me. I'm glad to call you my friend, love you sis. (Def keep me rolling lol)

Kevin- My right hand man, my brother, my friend, the one who helped me stay up while trying to finish this yearbook. I really appreciate you bro.

Shardei - My baby, my left butt cheek (insider joke), my photographer, my good friend, and my other half. You are the one I can tell anything to, my ride or die chick……man look I can go on and on, but I don't have enough space. Love you Dei.

Mrs. Davis- My Campus mother, my friend, man mommy no words can express how I feel for you. You've been a big support in my career here at Shaw and I love you now & forever. Smuah

Special Thanks to my Mother, Sherevia Roberson. My support my backbone, my realist, my #1 Fan, my biggest critic, my spiritual teacher. I love you Mommy for being you and never stop being MOM. You're real talk and I love you for that. You and Grams helped mold me into the Man of God/Gentleman I am today. I'm not ever gonna stop this journey of success. I'm going to the top. This one is dedicated 2 U.



Marcus Studio lol : Appreciate everything you do for for me bro, you pushing me pushes me closer to my dreams. Be Bless Bro One Love

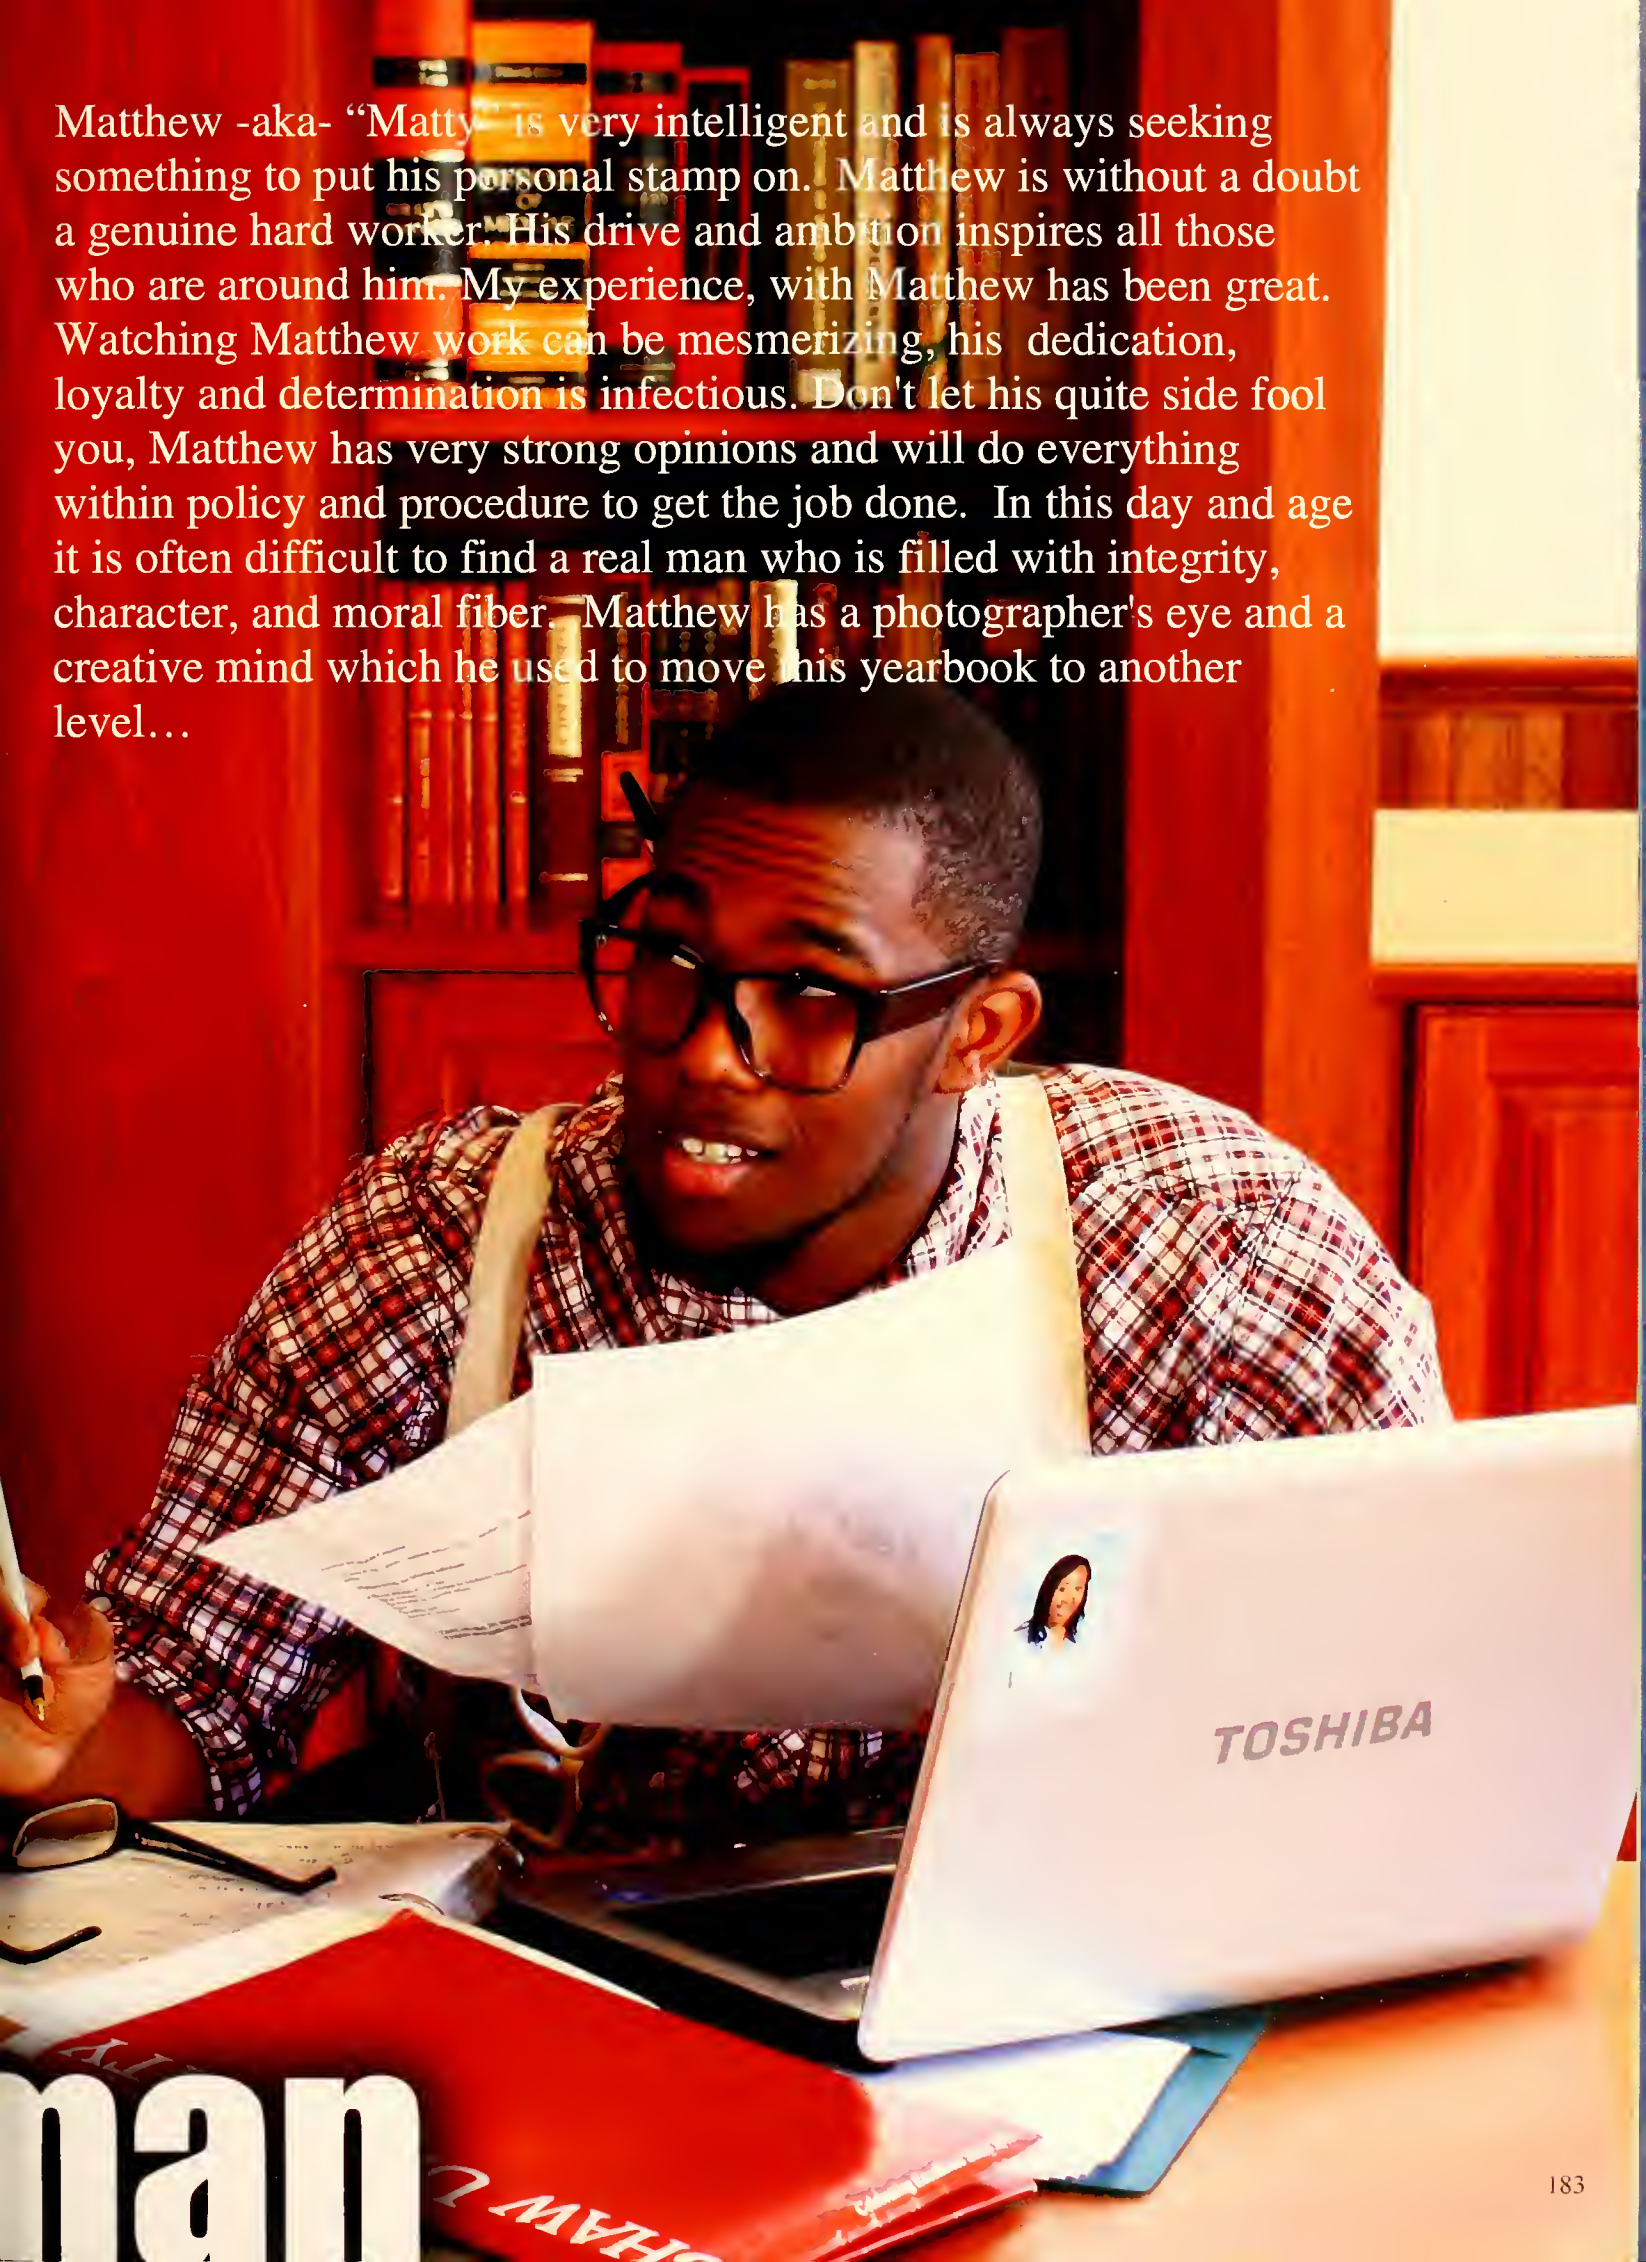
Co-Editor

Matthew Cole

Matthew -aka- "Matty" is very intelligent and is always seeking something to put his personal stamp on. Matthew is without a doubt a genuine hard worker. His drive and ambition inspires all those who are around him. My experience, with Matthew has been great. Watching Matthew work can be mesmerizing, his dedication, loyalty and determination is infectious. Don't let his quite side fool you, Matthew has very strong opinions and will do everything within policy and procedure to get the job done. In this day and age it is often difficult to find a real man who is filled with integrity, character, and moral fiber. Matthew has a photographer's eye and a creative mind which he used to move this yearbook to another level…



Office Manager

Princess Athena Curry

June 13, 1992 around 7pm a lovely princess was born by the name of Athena Marie Curry. Born to Valentina Hinds and Anthony Curry. When this child was born everyone in the hospital knew that this princess was destined for greatness. She had a very promising future ahead of her and in her eyes they could see nothing but success. Athena Marie Curry, is Miss Freshman, Queen of the freshman class, and the vice president of the Ladies with Value. Miss Athena is a very awesome person inside and out. She is very outgoing determined and dedicated, a sweetheart and a wonderful joy to be around. On a different note Athena is very spiritual, giving God the glory she masters a 2.7 GPA and is a Mass Comm major. What she says about her fellow yearbook staff members:

Tayvein- Funny, smart, kind, a great friend, and an outstanding worker.

Matt- Loyal, funny, smart, a one of a kind, the best friend anyone can have.

Brittany - Sassy, all that and a bag of chips, the best R.A. in town, I love her so much and no she can't be cloned.

Shardei - Aces, down to earth, my homegirl.

Writer

Brittany Felder

Born and raised in Washington, DC, I came to Shaw expecting to get a good education and received so much more. My major is Criminal Justice and my goal is to become a crime scene investigator. In my sophomore year I became a Residence Advisor, a challenging job because I am responsible for providing a safe living environment for the ladies on my floor, while planning life experience programs and academic support which is very beneficial in today's society. I thank my mother for being my strong support, I can depend on her night and day when things become a little unsure. I rely on God to keep me focused and my peers to remind me to not take things for granted. Working on the yearbook can be overwhelming and time consuming especially when trying to maintain a 3.8 GPA. I like to thank my fellow staff members:

Tayvein- always there when you need him, willing to lend a hand and is there if you need a shoulder to cry on. My big brother Tayvein.

Matt- intelligent, always studying and on the go, a person you can depend on.

Athena- a one of a kind, and true princess. She is as bright as a star, with a smile that lights up the night.

Shardei - rough around the edges, not to be taken advantage of, very sweet. She is adored by many and is very much appreciated.

Blair Carter is a number one L-A-D-Y. Sophisticati and intelligence rolled into one package. A graduatin senior, she devoted her time to help with the yearbool Eventhough she leaves Shaw, we will see her again on the red carpet or in the White House.

Staff Support/Writer

Ms. Blair Carter

Kevin Watley, kept us going in the wee hours of the night, he is a cool dude and laid back. In addition to supporting the yearbook staff he is very active on campus he was formerly Mr. Blue & Gold and is a member of the Gentlemen of Distinction, and is in the Honors College.

Staff Support

Kevin Watley

Alexis Terrell

Technical Advisor and Staff Support

Alexis Terrell, senior, hails from Houston, Texas and is a Psychology major. She aspires to become a Supreme Court Justice after an illustrious career in private practice and the release of her number one bestseller. Alexis wants the American dream. Alexis has held the position of senior staff support for the yearbook for three years. Her strength is pulling everyone together when things seem to be falling apart. She would like to thank God, her comforter and savior, her parents for always believing in her, Mrs. Davis her Shaw mom for being there when her real parents couldn't and Dr. Witten for challenging her in the classroom.

Two Families

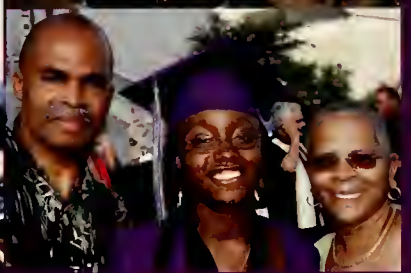
To: The future Dr. Tia M. Morgan PHD. MD.

A small blessing that was born into our hearts has blossomed into a wonderful young woman.
The doctors said you would not survive pass two year of age. Then it was five years of age. God continued to show you favor. What the doctors said would happen, GOD showed us otherwise.
Congradulations on all your achivements and may you continue to reach your goals.

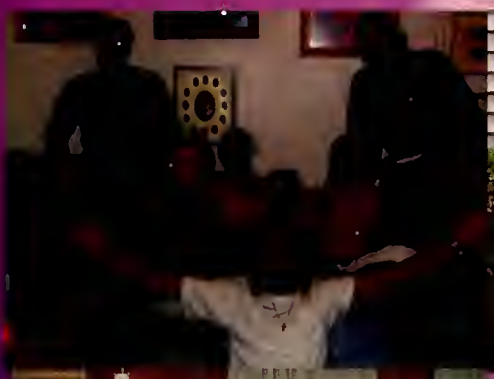
"Success is to be measured not so much by the position that one has reached in life as by the obstacles which he has overcome to succeed."--Booker T. Washington

LOVE,
Mom, Dad and Family.

Las Vegas



One Love



Tia you are a truly blessed young lady. From New Jersey to Las Vegas you are loved. Tia you set your goals and went for them. Now your wings are truly going to spread. I am so proud of you & love you more than words can ever express. Love you always and forever Marla & Fred(MM in NJ)

To My Grandaughter, you have made me so proud luv you & good luck-Nana Val

To tia keep your head to the skies-we luv you Louis, Ava Lamar, Monique, Kamani , Aunt Theresa, Anthony, Nash

Kiara Artese Holland & Krystalin Janae Bu

CONGRATULATIONS!We are extremely proud of you!!! You have successfully completed one important phase of your life and are about to embark on a new journey. You have the drive and determination to be the best at what ever your heart desires. You are our "Bella Supremacy". Remember with "God All things are Possible".
We Love You!!!!!!!!
Love Always ,
Your Family

Krystalin,
CONGRATULATIONS! WE LOVE YOU MUCH and are extremely proud of all your many accomplishments! We knew from the minute you came into our lives that you were a very special person. As you embark on this new journey of independence remember to: 1) Always keep your relationship with God first in your life, 2) Know that your family will ALWAYS be there for you and we truly have your best interest at heart, 3) Stay focused on your goals and don't let anyone distract you from accomplishing them, including yourself 4) Always take advantage of [illegible] opportunities, they don't come very often.
We are very proud of you! We can't wait to see what the future holds for you!
Love Always,
Your Family
Dad, Mom, Sydnee and Jack

Four Years Later, All Grown Up

Someone once said that the greatest friends are the friends you meet while in college. I feel that this is true. Tamika, Blair Carter, Teresa, Jallisa, Dominque, TeNisha, Tylsha, Tia Morgan, Candie, Marvin(C/O 2011), Jerry, Ashley, Aqyila, Tempest, Timera, Birt, Sadiat. Met in August of 2007, their friendship has lasted through all four years at Shaw University No matter what happened they were always there for each other. Each growing into their own individual selves and together they are greatness that can not be stopped. Everyone of the friends have lead active lives while at Shaw, be it a Resident Advisor, Student Development Coordinator, member of Student Government Association or Miss Shaw, they were committed to be involved on our beloved campus and in the community.

As we leave this institute we will remember all the laughs, cries, jokes, homecomings, Obama, leaderships accomplishments, probates, relationships, and various other things. The sayings like "smooth ow" "so smooth incorporated", "Swirls let me get that, im not playing with you, yahoooo" will always stick with us. Along with our days in the café for two years straight and how we had our own table where we could goof off and maybe even sing "Pass the peas, like we used to do" ..

The have developed a bond that can never broken. They are strong and ld of love.

aduation will be a mixed bag of joy and happiness, tears and eartbreaks as we leave after graduation, we may go our separate ways on the road to accomplishing our goals and dreams but we will always in eac 's hearts and hope to keep in touch over the years. Pe and b everyone reading this. And know that it is possibl hav friend wwww!!

"The Baddest AKA at Shaw"

ALICIA HILL

Alicia, it has not been an easy road raising you. You are our first born and we had to learn how to be parents while being your parents. You were a delightful child, a charming youth, and a blessed young adult, and Alicia you have set the standard for your siblings. Our prayer is that they will all follow in your footsteps. We thank God for you and we pray that you will continue to set and reach all of you goals.

CONGRATULATIONS

Queen Precious-Jewel Earth Zabriskie

We Love you and are so proud of you. All of your HARD WORK has paid off. We look forward to what this new chapter in your life brings.

~We Love you~

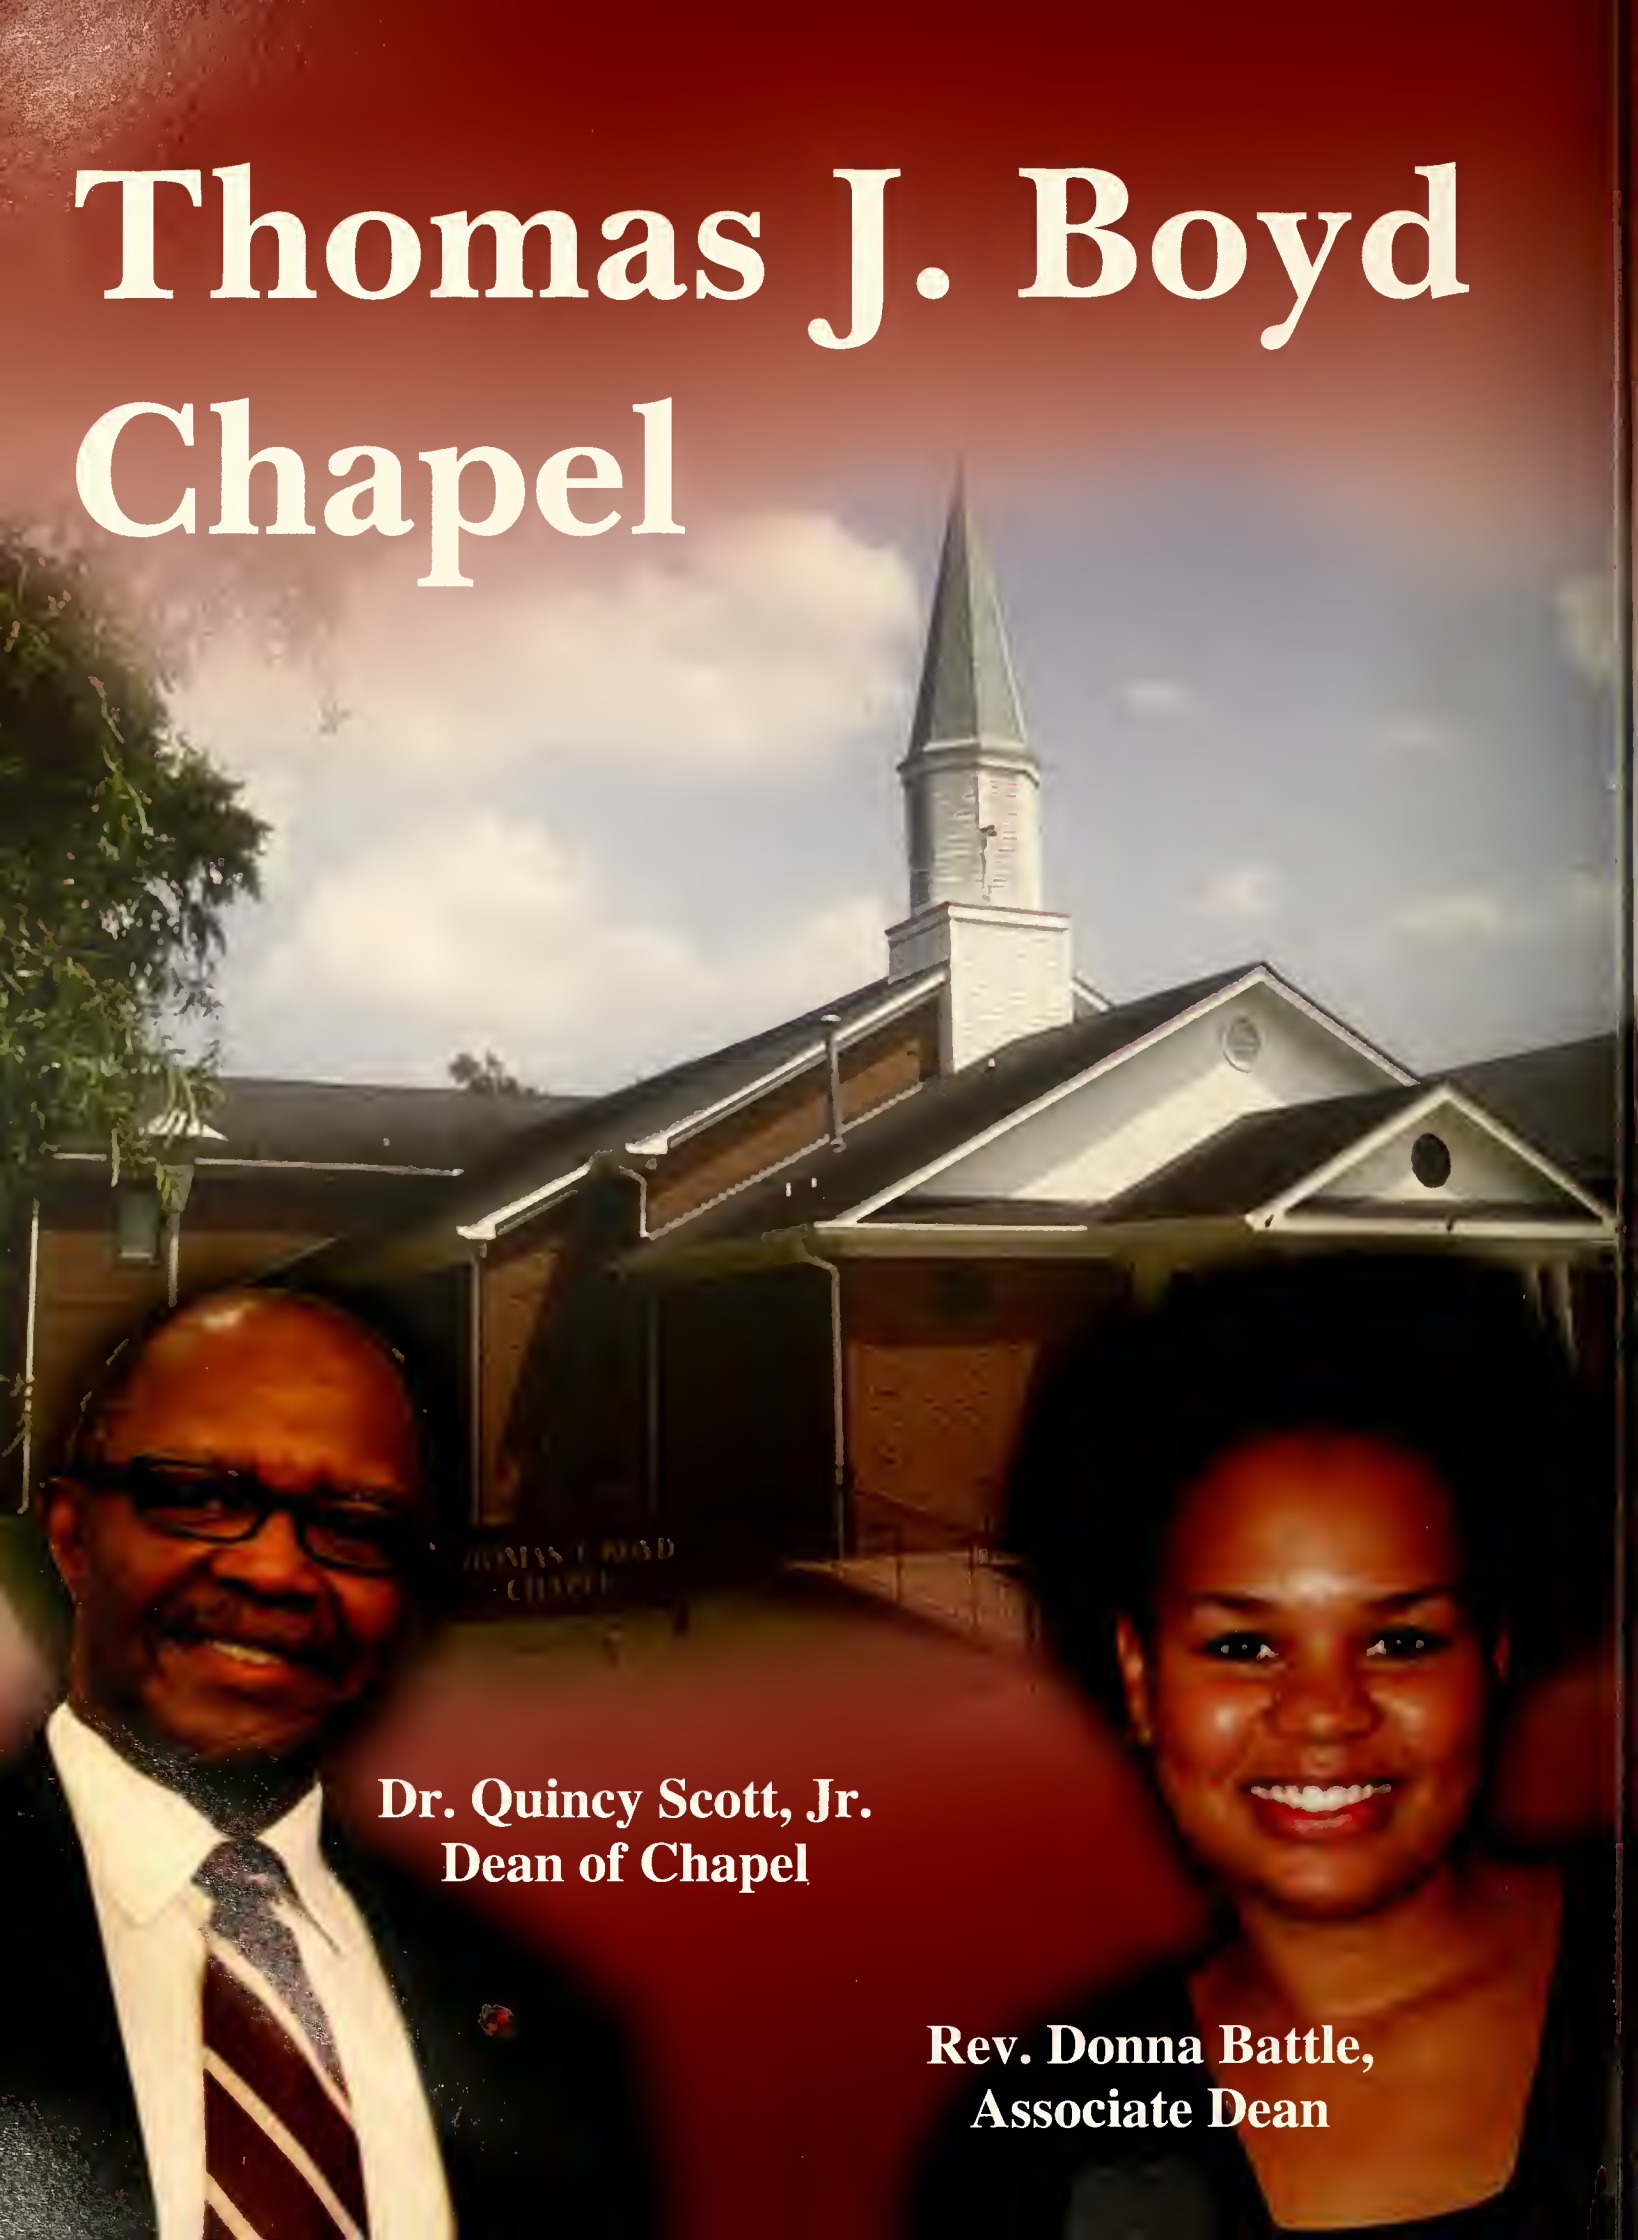
Thomas J. Boyd Chapel



Dr. Quincy Scott, Jr.
Dean of Chapel

Rev. Donna Battle,
Associate Dean

The Shaw University Gospel Chior, Director Judson Frraley

Q & A with Rev. Donna Battle

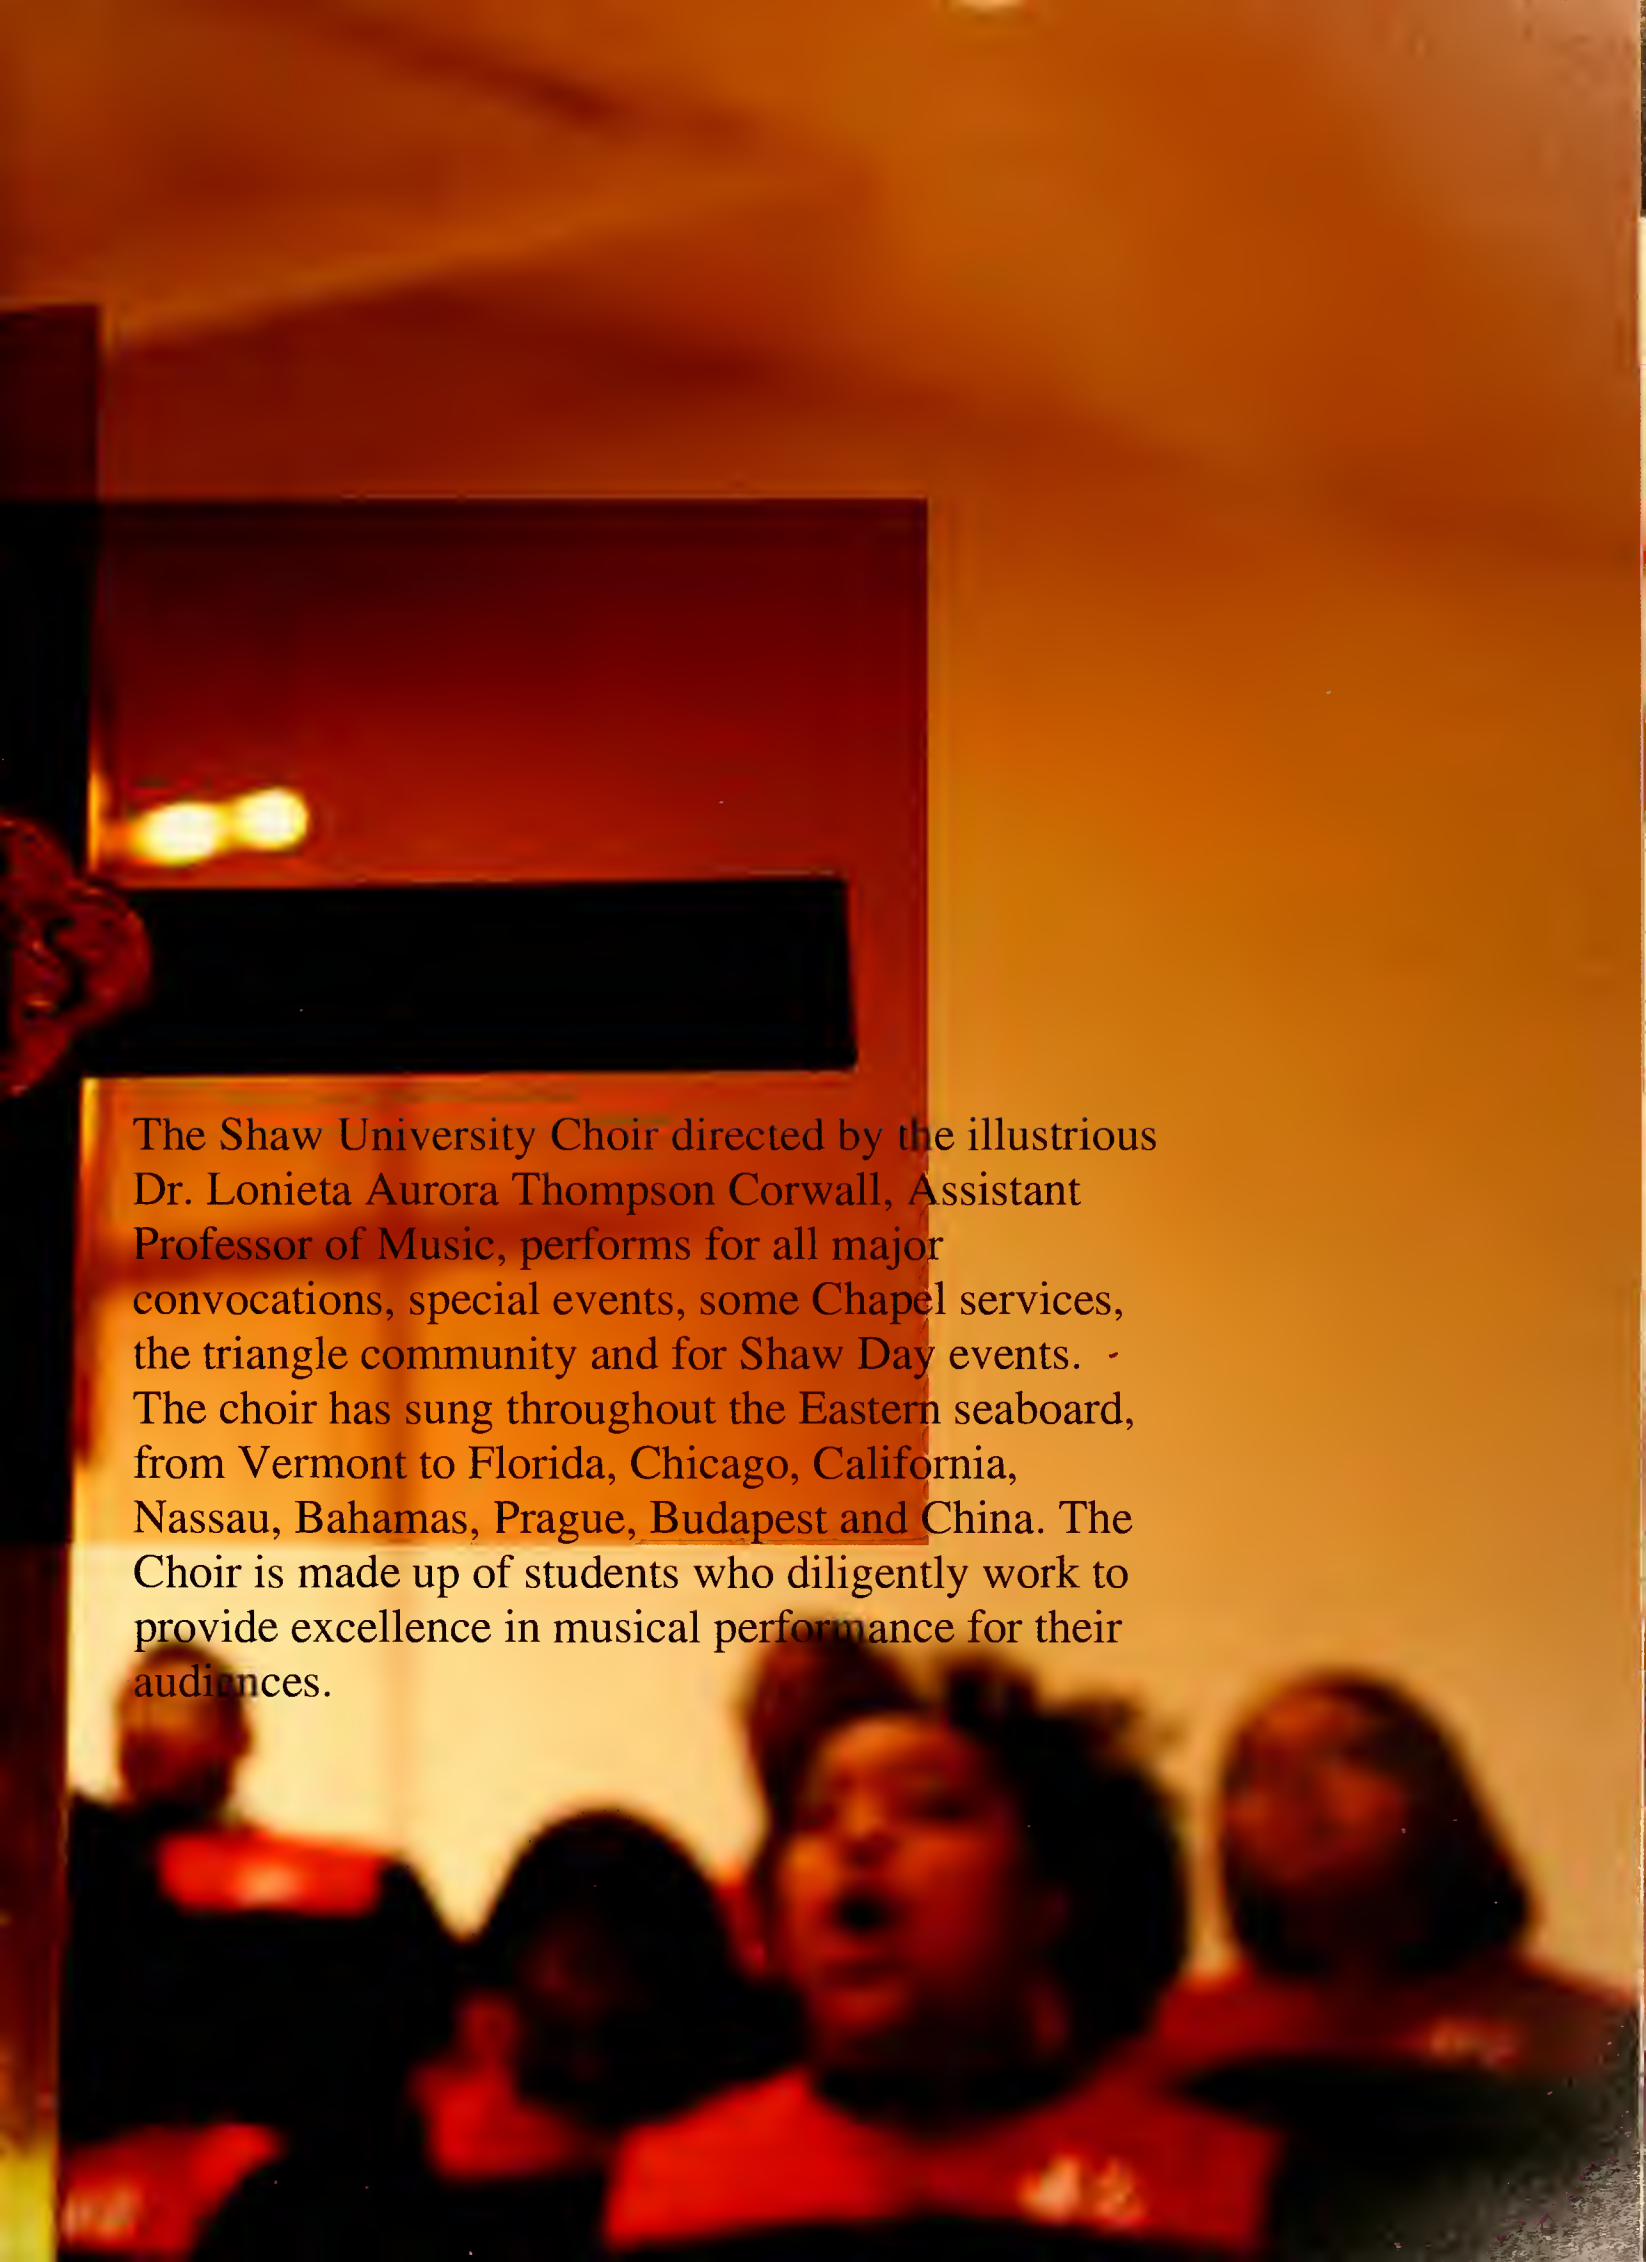
Q: From the initiation of your employment to now, what is your opinion on the progress of the chapel?
A: The Chapel has progress much over the years under the guidance of God and Dr. Scott. In the last year, since my return we have hired a Worship Arts Director, started a Spiritual formation group, began training Boyd Ambassadors (Chapel Student Leaders), began P3 (Prayer Praise and Proclamation, and are in the process of initiating more new ways to be the Love of Christ in the life of the Shaw Community.

Q: From the initiation of your employment to now, what is your opinion on the progress of the chapel?
A: The Chapel has progress much over the years under the guidance of God and Dr. Scott. In the last year, since my return we have hired a Worship Arts Director, started a Spiritual formation group, began training Boyd Ambassadors (Chapel Student Leaders), began P3 (Prayer Praise and Proclamation, and are in the process of initiating more new ways to be the Love of Christ in the life of the Shaw Community.

Q: What is your outlook on the chapel ministries?
A: Chapel ministries at this time are thriving and continuing to grow. The students who are a committed part of the Thomas J. Boyd worship community participate in the development of current and new ministries. All ministry initiatives or implementation are contingent upon the gifts God brings to the space, the needs of the community and the University's mission.

Q: Is there anything else that you wish to add?
A: Shaw has a deep rich history, and her legacy is still living and breathing. As students serve God through their studies, as faculty serve God through their instruction, and as staff serves God through providing for the people, we should all be reminded that our genuine care for one another is what will keep this great institution in God's favor. "For Christ and Humanity…"

Shaw University Chio



The Shaw University Choir directed by the illustrious Dr. Lonieta Aurora Thompson Corwall, Assistant Professor of Music, performs for all major convocations, special events, some Chapel services, the triangle community and for Shaw Day events. The choir has sung throughout the Eastern seaboard, from Vermont to Florida, Chicago, California, Nassau, Bahamas, Prague, Budapest and China. The Choir is made up of students who diligently work to provide excellence in musical performance for their audiences.

The Divinity School

Leonard Hall is a historic educational building located on the campus of Shaw University in Raleigh, North Carolina. Built in 1881 and originally named Leonard Medical Center (then Leonard Medical School),

Leonard Hall was established when medical schools were professionalizing. It was the first medical school for African-Americans in the United States to offer a four-year curriculum, as well as the first four-year medical school in North Carolina.

The building was named after Judson Wade Leonard, the brother-in-law of Shaw's founder Henry Martin Tupper. Classes began in 1882 and the annual tuition was $60, a substantial sum at the time. It is a contributing part of the East Raleigh-South Park Historic District, listed in the National Register of Historic Places in 1990. In 1994 it was designated a North Carolina Historic Landmark

Religion and Philosophy

Religion and Philosophy is committed to preparing future leaders for the rebuilding of a civil society world wide; which is consistent with the University's model that Shaw exists to advance knowledge to facilitate student learning and achievement to enhance the spiritual and ethical value of the student and to transform a diverse community of learners into future global leaders.

Our mission is to prepare women and men to be future moral leaders for the rebuilding of society and to add value to the quality of life. Religion and Philosophy goes across all vocations, a student can major in Religion and Philosophy and become lawyers that are more concerned about justice than judgment, doctors that are more concerned about public health than personal wealth, teachers that are more committed to learning than memorization, politicians and elected officials that are more concerned about giving people hope rather than getting their vote

To the class of 2011: You are awesome women and men of God, wonderfully and marvelously made. Please always stay right with God, do the next right thing; trust God for the results; laugh a lot; be a great neighbor and friend; and live in the moment! When life gets crazy, step back, hit the reset button, press on and represent Shaw well!

Dr. Cheryl Kirk-Duggan, PhD.

My Sister, My Sister

A Word of Thanks

Once again the yearbook staff has done it! After working long hours, eating cold pizza and sleeping on folding chairs to get this book done. To God be the glory for without Him none of this would have been possible. Jesus has allowed us to work with the talented Robert Stephens who shot the Raleigh Too senior pictures and Natasha Stephens the make-up artist for the shoot; Steven Worthy, who put in long hours on Shaw's campus shooting underclass students, staff, and Divinity students, he also traveled to CAP sites to ensure that this book was inclusive all the entire Shaw family; and Sherry Fillingham, Tonya Myrick and Kesha Myrick who provided University photos.

This book would not have been possible were it not for Dr. J. T. Roberson, Assistant Professor of Religion. Dr. Roberson is a generous sole for when others said no, he said yes. Thank you Dr. Roberson!

A special thanks goes to Shamita Mae Alexander, Eva Morgan, ShaQuonda McArthur, and Maceo Everett. These students were not part of the staff but they were so instrumental in keeping our spirits up, feeding us and making us laugh. What a team!

Shardei Lewis, is a shear genius and a phenomenal photographer. She has made this yearbook what it is.

2011

If our mom was here, she'd be proud.
Cherish your mother!
